3. Briefly describe the internship experiences available with your agency.

- The intern would be responsible for assisting youth and adult members with their fitness plans. The intern will meet individually with members and conduct wellness orientations as well as guide them through the “Commit-to-be-Fit” program which is a 12 week program consisting of goal setting, strength and cardiovascular training and helping overcome barriers. The YMCA is open to suggestions or ideas that the intern may bring from their college experience that would enhance the programs and services provided to our members.

4. Are there any restrictions to an internship that the student or university should be aware of? Will this be a paid position?

This is not a paid internship. No restrictions at this time.
