3. Briefly describe the internship experiences available with your agency.

An intern will have the opportunity to work in 8-10 different departments at STBTC doing a variety of tasks to include but not limited to filing, data entry, mail outs, special projects, blood donor recruitment assistance, blood donor appreciation support and community advocacy. By spending time in these areas an intern will come to more fully understand and appreciate the full scope of services STBTC provides to the South Texas communities it serves.

4. Are there any restrictions to an internship that the student or university should be aware of? Will this be a paid position?

No restrictions; not a paid position.
