

## CURRICULUM VITA Zenong Yin, Ph D

### Office:

University of Texas at San Antonio  
Department of Health and Kinesiology  
One UTSA Circle  
San Antonio, TX 78249  
Phone: (210) 458-5650  
Fax: (210) 458-5873  
Email: [zenong.yin@utsa.edu](mailto:zenong.yin@utsa.edu)

### Home:

10603 Wind Walker  
Helotes, TX 78023  
Phone (210) 883-5542

### Philosophy

- Prevention works!

### Career Goals

- To develop and evaluate health promotion and disease prevention programs (focusing on physical inactivity, obesity and diabetes) in school and community settings.
- To investigate psychosocial and ecological determinants of health behaviors in children and adults.
- To utilize advanced and innovative statistical models to identify risk and protective factors of poor health practice, physical inactivity, substance use and violence in culturally diverse populations.

### Academic Training

1985-1990 The University of Southern California, Los Angeles, California  
Doctor of Philosophy in Physical Education and Exercise Science, November 1990  
Specialization: Psychology/Social Psychology of Exercise and Sport

1983-1985 The University of Southern California, Los Angeles, California  
Master of Arts in Physical Education, June 1985  
Specialization: Administration and Organization of Physical Education and Sports

1982-1983 Graduate School, the Beijing Institute of Physical Education, Beijing, China

1978-1982 The Beijing Institute of Physical Education, Beijing, China  
Bachelor of Education in Physical Education, January 1982

### Academic Experience

2005- Loretta J. Lowak Clarke Distinguished Professor in Health and Kinesiology, Department of Health and Kinesiology  
Professor of Education Leadership and Policy Studies, Department of Educational Leadership and Policy Studies  
College of Education and Human Development, University of Texas San Antonio  
Securing and conducting externally funded behavioral research in the prevention of obesity and diabetes, and teaching graduate and undergraduate courses

2005-2008 Department Chair, Department of Health and Kinesiology  
College of Education and Human Development, University of Texas San Antonio  
Administration of Health and Kinesiology undergraduate and graduate programs; supervision and evaluation of tenured, tenure-track and non-tenure track faculty; academic program and curriculum development; and faculty development

2007- Adjunct Research Professor, Department of Family and Community Medicine, School of Medicine, The University of Texas Health Science Center at San Antonio

- 2001-2004 Professor of Pediatrics, Department of Pediatrics, Georgia Prevention Institute, Medical College of Georgia, Augusta, GA  
Securing and conducting NIH funded behavioral research in the prevention of human diseases in youth (Obesity and diabetes)
- 1999-2001 Coordinator and Associate Professor of Health and Kinesiology, the University of Texas at San Antonio (Intrim Coordinator in 1998), College of Social and Behavioral Sciences, Division of Education, San Antonio, Texas  
Coordinating Health and Kinesiology program (staffing, scheduling, and program development)
- 1997- Associate Professor of Kinesiology, the University of Texas at San Antonio, College of Social and Behavioral Sciences, Division of Education, San Antonio, Texas  
Teaching kinesiology and health courses, advising graduate and undergraduate major students in the Kinesiology and Health degree programs, conducting research, and serving on university-related committees
- 1991-1997 Assistant Professor of Kinesiology, the University of Texas at San Antonio, College of Social and Behavioral Sciences, Division of Education, San Antonio, Texas
- 1992-1999 Faculty Research Associate, the Hispanic Research Center (HRC), the University of Texas at San Antonio, Texas  
Grant writing; participating in and consulting on following research projects sponsored by Hispanic Research Center and funded by National Institute on Drug Abuse: "Substance use in Mexican American school age youth"; "Drug-related gang violence in South Texas"; "Modeling Latino drug use among Latino population"; "Estimation of use of prescription pills purchased in Mexico"; "Modeling Drug Use Forecasting (DUF) data: ethnicity, violence, and use of alcohol and drugs"; Training research assistants.
- 1991 Faculty co-sponsor (with Professors J. Wright and A. Gorton), Group Independent Study: Sport Psychology (Spring 1991). Brown University, Providence, Rhode Islands  
Preparing, organizing, and lecturing the class with co-sponsorship of Professors Jacque Wright and Arlene Gorton.
- 1990 Teaching/Research Assistant. Special Themes: Issues of Gender in Sports, Brown University, Providence, Rhode Islands (Professor Arlene Gorton)  
Assisting development of the course and research projects in the class.
- 1990 Instructor. Department of Athletics and Physical Education, Brown University, Providence, Rhode Islands  
Instructing university students/faculty/staff fitness classes.
- 1984-1988 Teaching Assistant. Department of Physical Education and Exercise Sciences, University of Southern California, Los Angeles, California  
Instructing physical education activity courses (Swimming, Advanced Lifesaving, Self-Defense, and Weight Training).

### **Funded Grants**

Principle Investigator (2010-2012). Mujeres Interesadas en Cambios por la Salud (MI CASA) (NIH-NIDDK 5R34DK084203-02, \$222,232)

- Co-Principle Investigator (2009-2012). Juntos y Saludables (Get Healthy Together) (International Life Science Institute Research Foundation [\$17,000] and San Antonio Life Science Institute [\$125,000]).
- Co-Investigator (2009-2011). Partnership to Address Physical Activity Among Low-Income Latino Adolescent Girls. (NIH-NHMD 1R24MD005096-01, Deborah Parra-Medina, PI)
- Co-Investigator (2009-2010) Building a Healthy Temple - A Faith-based Community Participatory Research Project for Preventing Childhood Obesity Among Latino Families (Robert Wood Johnson Foundation, Grant ID: 66474, Meizi He, PI)
- Co-investigator (2004-2010). ADaPPT: A Diabetes Prevention Program for Teens as a part of the Studies to Treat Or Prevent Pediatric Type 2 Diabetes (STOPP-T2D) (NIH-NIDDK U01DK61230 to Roberto Trevino, PI)
- Co-Investigator (2006-2008). Healthy and Ready to Learn (Baptist Health Foundation, San Antonio, TX; Winter, S. PI; \$275,000; 11/1/06-10/31/08)
- Co-Principal Investigator (2005), "Walking for Health in South Texas" (Omron Healthcare Inc. and International Life Science Institute/Center for Health Promotion, \$77,857)
- Co-Investigator (2005-2007); Principal Investigator (2004); Co-Principal Investigator (2002-2003), "Medical College of Georgia FitKid Project" (NIH-NIDDK RO1 DK63391 \$3,300,946.00, 9/30/02 - 7/31/07)
- Co-Investigator/Statistician (2001-2004) "APEX: Adiposity Prevention by Exercise in Black Girls" (NIH-NHLBIR01 HL64972, 4/1/00 - 3/31/05)
- Principal Investigator (2003-2004), "Linking social and ecological factors to physical inactivity and obesity in youths" (The Georgia Biomedical Initiatives via the Georgia Center for the Prevention of Obesity and Related Disorders, \$41,000)
- Co-Investigator (2003-2004). "GCORD Project in Washington-Wilkes: Community-based Physical Activity Intervention" (The Georgia Biomedical Initiatives via the Georgia Center for the Prevention of Obesity and Related Disorders \$121,833)
- Co-investigator (2002-2003), "Washington-Wilkes Family Lifestyle Improvement Project" (The Georgia Biomedical Initiatives via the Georgia Center for the Prevention of Obesity and Related Disorders, \$31,500)
- Principal Investigator (2002-2003), "Wilkes-Washington School Health Survey" (The Georgia Biomedical Initiatives via the Georgia Center for the Prevention of Obesity and Related Disorders, \$95,000)
- Co-Investigator/Statistician (2001-2002), "The Accuracy of Children's Dietary Recalls" (NIH-NHLBI R01 HL63189-01 \$381,342/annual to S. Domel Baxter, 9/30/99- 8/31/02)
- Consultant/Statistician (2000-) "Bienestar: A Diabetes Risk Factor Prevention Program" funded by National Institutes of Health-National Institute of Diabetes, Digestive and Kidney Diseases (RO1 DK59213, \$1,833,757.00) to Roberto Trevino, MD, Social and Health Research Center, San Antonio, Texas
- Co-Receptient (1999-2002), "Distance Education Master's Degree in Kinesiology" funded by the University of Texas System TeleCampus (\$450,000) to six University of Texas component institutions
- Co-Principal Investigator (1994-1998). "Substance use in Mexican American school age youth" funded by National Institutes of Health-National Institute on Drug Abuse (NIH-NIDA R24 DA07234: \$593,000.00) to Jesse T. Zapata, David S. Katims, and Zenong Yin
- Statistician/Co-Investigator (1995-1998). "Drug-related gang violence in South Texas", funded by National Institutes of Health-National Institute on Drug Abuse (NIH-NIDA RO1 DA08604: \$1,073,000.00) to Averlardo Valdez, Reyes Ramos, Charles Kaplan, and Zenong Yin
- Grant Recipient (1995), University Faculty Development Award (Awarded \$811.00), the University of Texas San Antonio
- Grant Recipient (1994-1995), UTSA-Hispanic Research Center-National Institute of Drug Abuse Minority Research Center Grant (\$1,300) to Zenong Yin

Grant Recipients (1992, 1994), College of Social and Behavioral Sciences Mini-Grant for Teaching and Research, the University of Texas San Antonio

### **Professional Consultation Experience**

- 2005- Statistical Consultant, International Life Science Institute-Center for Health Promotion, Atlant Georgia  
Consultation on obesity prevention programs in children
- 2001 Program Evaluator, San Antonio Independent School District, San Antonio, Texas  
Program evaluation of "Save Our Schools" intervention program
- 2001 Consultant, Department of Pediatrics, University of Texas Health Science Center  
San Anonio, San Antonio, Texas  
Program Evaluation
- 2000 Program Evaluator, University of Texas San Antonio,  
Program evaluation of "UTSA Field Initiative: A integrated Earth system field research"  
funded by the National Science Foundation
- 1999- Consultant, the Health and Social Research Center, San Antonio, Texas  
Grant writing and program evaluation for the Bienestar Health Program
- 1999-2002 Program Evaluator, University of Texas at San Antonio Educational Alliance  
Evaluating program implementation of San Antonio Technology Challenge Grant funded  
by U.S. Department of Education  
Program evaluation
- 1996-1998 Faculty Advisor to HRC's world-wide-web site development project funded by UCLA-  
North American Integration and Development Center.  
Directing and supervising web site development team in the design and building of HRC's  
web page.
- 1996-1997 Research Consultant to Dr. Karyn Wellhousen, Department of Curriculum and Instructions,  
University of New Orleans.  
Serving as statistical consultant on research design and data analysis for her research  
grant funded by University of New Orleans.
- 1995 Research Consultant, Edgewood Independent School District, San Antonio, Texas  
Serving as statistical consultant on analyzing data collected from Student Assistant  
Programs (1989-1995) funded by Texas Educational Agency.
- 1993-1996 Consultant, Fundamental Skills Project: Intelligent Tutor. the University of Texas San  
Antonio-Armstrong Laboratory Brooks AFB.  
Evaluating and assisting the development of intelligent tutors.
- 1993 Consultant for Dissertation Completion Workshop, Tomas Rivera Center, Trinity  
University, San Antonio  
Advising doctoral students in research design and statistical analysis.
- 1993-1995 Consultant, Model Schools Project, the University of Texas San Antonio, Texas  
Managing and analyzing data collected in "ReadElite" project
- 1992-1993 Consultant, Center for Educational Development and Excellence, San Antonio, Texas  
Evaluating the implementation of the Center's programs.
- 1991- Research Consultant, Hispanic Research Center, the University of Texas at San Antonio, San  
Antonio, Texas  
Serving as statistical consultant on a multi-year research project funded by National  
Institute on Drug Abuse.

### **Significant Professional Services**

- 2009 Advisory Board for Team-Up for Youth and Kaiser Permanente-The California Endowment's offices in Oakland.
- 2009 Invited external reviewer; Move More North Carolina: Recommended Standards for Physical Activity Afterschool.
- 2007-2004- Advisory Committee, Edgewood Family Network, San Antonio, Texas
- 2004- Guest reviewers for American Journal of Preventive Medicine, Medicine and Science in Sports and Exercise, American Journal of Clinical Nutrition, Journal of Physical Activity & Health, Journal of Public Health Management & Practice
- 2001- The Steering Committee for Georgia Center for the Prevention of Obesity and Related Disorders
- 2000-2001 Volunteer Committee on Nutrition and Physical Activity for American Cancer Society San Antonio Chapter
- 1998-2001 Member of Academic Affair Committee, University of Texas Distance Education Master's Degree in Kinesiology Program
- 1999-2001 Team Leader of Trail Building at Government Canyon State Natural Area, Texas Department of Park and Wildlife
- 1999-2001 Member of Recreation Committee at Government Canyon State Natural Area, Texas Department of Park and Wildlife
