Purpose of Program

The MA-BITE-C program is designed for national and international degreed individuals, who hold a minimum of a bachelor’s degree or equivalent, demonstrate bilingual proficiency in Spanish and English, and are seeking bilingual education certification at the graduate level. The coursework will prepare students in the field of bilingual education, teaching methods and research; students will also have the opportunity to engage in field work and a supervised teaching experience. Program of study, modules, and professional development experiences will be provided to prepare students for teacher certification exams. The MA-BITE-C 36 hour program and experiences are designed to meet the state teacher certification requirements for EC-6 Bilingual Generalist.

Program Options

MA-BITE-C requires admission to the graduate program and to the teacher certification program. Students must complete a supervised teaching experience and a graduate project. Students who are offered a teaching position may elect to complete a year-long paid internship year in lieu of the semester-long clinical teaching experience. To obtain Texas Teacher Certification, applicant must meet all educator certification requirements.

Career Opportunities

Throughout the state and across the country, there is a demand for well-prepared, certified bilingual education teachers. Our bilingual teacher education program has a long history of excellence in preparing teachers and program graduates are highly competitive in the job market. Graduates may be recommended for teacher certification as EC-6 Bilingual Generalists. As certified bilingual teachers, graduates will have an opportunity to teach in any public or private EC-6th grade bilingual setting in Texas. Other opportunities include teaching out-of-state or out-of-country, as well as working in other educational settings.
