Content Areas 4-8

Math/Science 4-8 Requirements:

Practice Test - Math/Science 4-8
Practice Test - Pedagogy and Professional Responsibilities (PPR)
PPR Review Session

State Exams - Math/Science 4-8 and PPR

ELAR/SS 4-8 Requirements:

Practice Test - ELAR/SS 4-8
Practice Test - PPR
PPR Review Session

State Exams - ELAR/SS 4-8 and PPR

Bilingual Generalist 4-8

Practice Test - Bilingual Generalist 4-8
Practice Test - Pedagogy and Professional Responsibilities (PPR)
PPR Review Session

State Exams - Bilingual Generalist 4-8, PPR EC-12, and Bilingual Target Language Proficiency Test (BTLPT)

** After August 31, 2015, students seeking Bilingual Generalist 4-8 certification will be required to take the Bilingual Supplemental and 4-8 Generalist state exams. The Bilingual/4-8 Generalist single exam will no longer be offered.

*Note: Students may complete the required Practice Tests and required Review Sessions in any order.

In order for students to be considered Highly Qualified to teach grades other than 7 & 8 for the content listed above, students have the option to take the Generalist EC-6 or Generalist 4-8 exam. UTSA will approve individuals to take either of these exams while they are in the program after these requirements have been met:

-Take and pass their 4-8 content area state exam
-If taking the Generalist EC-6 state exam, take the EC-6 Generalist Practice exam and attend the Generalist EC-6 Review session.
-Generalist 4-8 only requires taking a Practice exam.

Students may add the Generalist certification to their teaching certificate after they have been recommended for their 4-8 content Certificate.

When the Practice Test and Review Session requirements have been met, students may register for one state TExES exam per test session.
