Dear Parent,

We invite you to submit an application to The Reading Place: Plaza de Lectura. Located at the Downtown Campus of the University of Texas at San Antonio, the Plaza is a program of the Department of Interdisciplinary Learning and Teaching and College of Education and Human Development.

Since its founding in 1999, the Reading Place: Plaza de Lectura has helped more than 1,500 children in the San Antonio area children by providing assistance in reading and writing. Each semester approximately 100 students are able to participate in the programs of the Plaza. The Plaza offers a variety of programs including those designed to help children needing extra support in reading and writing and young children who would benefit from enrichment literacy activities.

Students enrolled in the Plaza receive one-on-one tutoring by undergraduate and graduate students enrolled in teacher preparation programs at UTSA. Tutors are closely supervised by Literacy faculty members.

Tutoring services for the semester cost $25.00 per child. This fee also covers the cost of parking for the parent. For further information about the Plaza, you can call 458-2649 or visit our website at: http://education.utsa.edu/interdisciplinary_learning_and_teaching/the_reading_place/.

We hope to have the opportunity to serve you in the future.

Yours truly,

Miriam Martinez
