

Funding Sources

for

UTSA Counseling Department Students

Chi Sigma Iota

Name of Funding Source	Description
Chi Sigma Iota Research Grants	<p>This organization provides funding amounts ranging between \$300 and \$2500. No more than two awards will be made to members in any one chapter each year. Grant Submission Deadline: November 15, 2018, 5:00 p.m. EST. https://www.csi-net.org/page/Research_Excellence (See funding priorities below)</p> <ul style="list-style-type: none"> • <i>Professional Advocacy, Professional Identity, and Leadership Research</i> - The priorities for 2014-15 funding are for research related to advocacy for the counseling profession and, in particular, research on the professional identity of counselors. • <i>Wellness Counseling Research</i> - Preference will be given to proposals with a holistic focus that incorporate multiple aspects of wellness rather than those with a narrow scope focusing on only one wellness component (e.g., exercise, spirituality). • <i>Developmental Counseling Research</i> - Intervention at various stages of human development to facilitate life transitions, enhance interpersonal relationships, and generally to improve quality of life for individuals striving to meet their basic life tasks are developmental in nature.
Chi Sigma Iota Chapter Development Grant	<p>This organization provides funding to local chapters of CSI. Priority will be given to chapters working on reactivation and expansion of services to professional members. This organization prioritizes on local chapters that are helping members enhance their professional identity and their sense of commitment to the counseling profession and personal excellence. Grants are provided in stipends of \$50-\$250, as seed money for chapter projects. Chapters wishing to apply for a grant should complete the online Chapter Grant Application Form by 5:00 p.m. EDT on October 15, 2018. For more information, please refer to: http://www.csi-net.org/?page=Chapter_Grants</p>

Federal Grants

Name of Funding Source	Description
Grants.gov	<p>This website is provided as a great resource for federal grants, searchable by category, agency, or eligibility criteria. For more information, please refer to: http://www.grants.gov/search-grants.html?fundingCategories%3DHL%7CHealth</p>

Foundation and Fellowships

Name of Funding Source	Description
Andrew W. Mellon Foundation	This organization offers fellowships for work leading up to completing doctoral dissertations. For more information, please refer to: http://www.mellon.org/
Ford Foundation Diversity Fellowships Program	This foundation is offering fellowships to doctoral students who plan to enter a career in teaching and research at a college or university. The goals of these fellowships is to increase the ethnic and racial diversity in university faculties, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students. For more information, please refer to: http://sites.nationalacademies.org/pga/fordfellowships/index.htm
International Federation of University Women offers Ida Smedley Maclean International Fellowship	The IFUM offers to assist a woman engaged in doctoral or post-doctoral studies in any country. Fellowship is for work in any branch of learning. Applicants must be members of one of IFUW's National Federations. One non-renewable scholarship is awarded annually and ranges from \$6,177 to \$7,721. An application is required and must be received by November 1. For more information, please refer to: http://www.ifuw.org/what-we-do/grants-fellowships/
The Harry Frank Guggenheim Foundation	This foundation sponsors scholarly research on violence, aggression, and dominance. Information on research grants and dissertation fellowships can be found at http://www.hfg.org
The Mellon International Dissertation Research Fellowship (IDRF)	This fellowship offers nine to twelve months of support to graduate students in the humanities and humanistic social sciences who are enrolled in PhD programs in the United States and conducting dissertation research on non-US topics. Eighty fellowships are awarded annually. Fellowship amounts vary depending on the research plan, with a per-fellowship average of \$20,000. The fellowship includes participation in an SSRC-funded interdisciplinary workshop upon the completion of IDRF-funded research. Open for applications, next deadline is November 7, 2018 . For more information and the specific date, please refer to: http://www.ssrc.org/fellowships/idrf-fellowship/
The Woodrow Wilson National Fellowship Foundation	This foundation offers fellowships to students working on doctoral dissertations. The Newcombe Fellowships are awarded for work on dissertations in which ethical or religious values are a central concern. These fellowships provide 12-months of full-time dissertation writing support (\$24,000 total award). All pre-dissertation requirements must be met prior to application. For more information, please refer to www.woodrow.org/newcombe
The Women's Studies Fellowships	Fellowship recipients are awarded for \$3,000 worth of expenses related to dissertation research focused on women. This research must include cross-disciplinary, regional, or cultural boundaries. For more information, please refer

to: www.woodrow.org/womens-studies

National Institutes

Name of Funding Source	Description
National Institutes of Health	The objective of this funding opportunity announcement is to help ensure that highly trained scientists will be available in adequate numbers and in appropriate research areas to carry out the Nations biomedical, behavioral, and clinical research agenda. The participating Institutes of the National Institutes of Health (NIH) provide individual pre-doctoral research training fellowship awards to promising doctoral candidates who have the potential to become productive, independent investigators in research fields relevant to the missions of these participating NIH Institutes and Centers. For more information, please refer to: http://grants.nih.gov/grants/oer.htm
National Institute of Mental Health	This organization offers funding opportunities for individuals in the predoctoral stage of training. For more information, please refer to: http://grants.nih.gov/grants/guide/pa-files/PAR-12-103.html

Professional Organizations and Associations

Name of Funding Source	Description
American Association of University Women	This organization provides fellowships and grants for women scholars. For more information, please refer to: www.aauw.org/education/fga/
American College Counseling Association Emerging Leader Grants	ACCA strives to recognize and support individuals who are masters and doctoral-level graduate students, as well as new professionals, who are considered to be emerging leaders within our profession. To this end, we provide Emerging Leader Grants to a select group of recipients each year to support the cost of attendance at the American College Counseling Association (ACCA) and the American Counseling Association (ACA) Annual Conference. For more information, please refer to: http://www.collegecounseling.org/emergingleadergrants
American Rehabilitation Counseling Association Research Awards	For more information, please refer to: http://www.arcaweb.org
American School Counselor Association	These awards are available to members of ASCA. The organization offers grants, funding, scholarships, and awards. For more information, please refer to: http://www.schoolcounselor.org/search.aspx?searchtext=grant&searchmode=anyword
Association for Adult Development and Aging Research Grant	AADA has allocated \$1000 to the Research Committee in order to support deserving adult developmental research. Two \$500 grants will be awarded. The funds are available to both professional and student members of AADA. For more information, please refer to: http://www.aadaweb.org/page17/page19/page19.html
Association for Applied Psychophysiology and Biofeedback	This organization presently is supporting research grants and travel scholarships to students whose papers have been accepted for presentation at the AAPB Annual Meeting. For more information, please refer to: http://www.aapb.org/i4a/pages/index.cfm?pageid=3628
Association for Creativity in Counseling	This organization awards two research grants each year: one for professional members and one for student members. Practitioners are encouraged to apply. Grants are awarded in the amount of \$250.00. The purpose of these awards is to support research that increases understanding of the use of creativity in counseling. For more information, please refer to: http://www.creativecounselor.org/Awards.html

<p>Association for Counselor Education and Supervision (ACES)</p>	<p>This organization, a division of the American Counseling Association, provides research grants to student members who are enrolled in Counselor Education and Supervision programs. For more information on this year's grant, please refer to: http://www.acesonline.net/</p>
<p>Association for Humanistic Counseling Emerging Leader's Project</p>	<p>This organization encourages the development of the whole person: physical, mental, emotional and spiritual aspects; promotes the dignity and worth of the individual within the context of community and culture; recognizes and cherishes diversity in an increasingly multicultural society; promotes advocacy within our profession, our home, and world communities; identifies cutting edge issues for counseling and human development professionals; and encourages dialogue and promotes solutions.</p> <p>Interested applicants are highly suggested to submit the emerging leaders application (.doc) and candidate curriculum vitae electronically to VictoriaEkress@gmail.com no later than December TBD, 2018 http://afhc.camp9.org/page-1154726 and Awards and Grants http://afhc.camp9.org/page-833022</p> <p>Please visit the listed websites for more information on when and where to submit documents.</p>
<p>Association for Institutional Research (AIR)</p>	<p>The dissertation fellowship program provides funds to doctoral students beginning their dissertation. The program supports research on postsecondary education using the NCES and NSF national databases or research studies that increase the understanding and knowledge of student decisions in postsecondary education. Funded fellowship projects promise a significant contribution to the national knowledge of the nature and operation of postsecondary education. For more information, please refer to: http://www.airweb.org/GrantsAndScholarships/Pages/GrantProgramOverview.aspx</p>
<p>Association for Play Therapy Student Research Award</p>	<p>The Association for Play Therapy (APT) acknowledges outstanding research by graduate or doctoral students that significantly develops, promotes, or advances the value of play, play therapy, and credentialed play therapists. For more information, please refer to: http://www.a4pt.org/?page=AwardsofExcellence</p>
<p>Counseling Association for Humanistic Education and Development</p>	<p>This organization provides funding to research projects and emerging leaders. The Make a Difference Grant provides funding for research projects in the area of humanistic counseling and education. The association funds one research grant per year in the amount of \$500.00. For more information, please refer to: http://afhc.camp9.org/</p>
<p>The International Association of Addiction and Offender Counselors (IAAOC)</p>	<p>The intent of this Grant Award is to recognize and honor IAAOC members who are seeking to complete research investigations that demonstrate a promise for outstanding contributions to the specialty areas of addictions and/or offender counseling. This is a cash award of \$500, a certificate of recognition presented at the IAAOC Annual Conference Breakfast, and acknowledgement of the award in the IAAOC Newsletter. For more information, please refer to: http://www.iaaoc.org/index.html</p>
<p>National Career Development Association Graduate Student Research Award</p>	<p>A series of \$500 and \$250 awards have been established to honor graduate students who undertake exemplary research addressing topics related to career information, career development, and career planning. For more information, please refer to: http://www.ncda.org/aws/NCDA/pt/sd/news_article/4944/_parent/layout_details/false#graduate</p>
