1. Please briefly describe the scope of your agency’s work. Printed brochures or fact sheets explaining your organizational goals may be attached.

At UTSA Student Health Services, our mission is to provide quality medical care and innovative health education to empower and support student success. The Health Education Coordinators provide programs and outreach activities that aim to promote healthy lifestyles among UTSA students.

2. Indicate the most appropriate person(s) to contact within your agency regarding internship possibilities.

Kenya Rampersant / Health Educator / 210-458-8726

3. Briefly describe the internship experiences available with your agency.

Health promotion, campaigning, program development, implementation and evaluation on the following: sexual health, nutrition, smoking cessation, stress management, substance abuse, and general health and wellness.

4. Are there any restrictions to an internship that the student or university should be aware of? Will this be a paid position?

All students interested in pursuing an internship with Health Education is instructed to complete an online application (located on the health education webpage), participate in an in-person interview, and pass the UTSA Criminal Background Check before being selected as an appointed intern. Applications and interviews must be completed the semester prior to when the student would like to begin the internship.

FYI: Possible exposure to blood borne pathogens. Must be able to lift, push / pull 25lbs. Occasional evening and weekend hours.

This is an unpaid internship.
