1. Please briefly describe the scope of your agency’s work. Printed brochures or fact sheets explaining your organizational goals may be attached.

   Healthy Futures of Texas is a non-profit organization working to prevent teen and unplanned pregnancy. Healthy Futures has several projects, including (1) providing Abstinence-Plus sexuality education to teens and parents; (2) supporting the work of the Healthy Futures Alliance (HFA), a community coalition with volunteers working on developing strategies to address teen pregnancy as well as unplanned pregnancy among young adults; and (3) to disseminate the Big Decisions curriculum.

   Please see attached brochure.

2. Indicate the most appropriate person(s) to contact within your agency regarding internship possibilities.

   NAME: Margo DelaGarza
   TITLE/RESPONSIBILITY: Project Specialist
   PHONE#: 210-223-4589

3. Briefly describe the internship experiences available with your agency.

   Interns will assist with the facilitation of sexual education classes to teens and parents. Interns may also be responsible for assisting with other projects of Healthy Futures. Interns will also work in the office preparing curriculum lessons, contacting schools and agencies, maintaining files, and conducting outreach. Interns will also participate in Healthy Futures Alliance meetings and various task forces, and assist with the project of HFA.

4. Are there any restrictions to an internship that the student or university should be aware of? Will this be a paid position?

   There are no restrictions; however, the student will need to pass a criminal background check (provided by Healthy Futures). At this time, this will be a non-paid internship. In the future, funding possibilities might allow for interns to receive a monthly stipend.
