

THE UNIVERSITY OF TEXAS AT SAN ANTONIO

PROSPECTIVE AFFILIATION AGREEMENT

Agency / Facility Information Sheet

This information collected on this sheet will be used to complete a formal agreement with your institution.

Today's Date: 1/26/2018

Agency Name: JOVEN

Address: 507 E. Mayfield, San Antonio, TX 78214

Phone Number: 210-924-0330 Email address: drosete@jovensatx.org

1. Please briefly describe the scope of your facility/agency's work. Printed brochures or fact sheets explaining your organizational goals may be attached.

JOVEN offers counseling to youth and provide educational opportunities in the areas of drugs and alcohol, abstinence from sex and life skills. All programming takes place in a school setting or at one of two agency facilities during after-school and summer camp.

JOVEN is a strong supporter of higher learning. Our after-school program helps kids with homework and provides them with constructive activities designed to increase their interest in education and health. The summer camp program helps kids to stay active and involved while out of school. We apply a holistic approach to each of the families that we serve. We help our families by providing them with whatever information and referrals they might need to help them and their children to live a better quality of life.

2. Indicate the most appropriate person(s) to contact within your facility/agency regarding internship possibilities.

3. Briefly describe the internship experiences available with your facility/agency.

Program Groups: Interns have the opportunity to co-facilitate in any of our two programs areas which are experiential and curriculum based:

Prevention: projects are designed to increase children's resiliency and coping skills in responding to risk factors, such as violence, school failure, anti-social behavior, delinquency, alcohol, tobacco and other drugs. Prevention programming promotes improved academic performance, positive peer social interaction, improved family behavioral conditions and the creation of positive value-based self esteem.

Health Education: project provides prevention/intervention based life skills to adolescences in middle and high schools with curriculum pertaining to premature sexual activity, HIV-STD infection and teen pregnancy.

Creating the Vision: Intern Opportunities: tutoring, reading, games, any special talents (i.e. guitar lessons, choir, sports, arts and crafts, computer labs, etc). Summer Camp runs June through July from 8:00 to 4:00p.m. Opportunities: special talents, swimming, any outdoor activities, field trips, arts & crafts, sports programs, etc.

4. Are there any restrictions to an internship that the student or university should be aware of?
