1. Please briefly describe the scope of your agency’s work. Printed brochures or fact sheets explaining your organizational goals may be attached.

   ➢ **Organization’s exempt purpose:** Since 1983, the Rainbow Senior Center has provided services that help to improve and enhance the quality of life for older adults in Kendall County and the greater Boerne area. Our goal is to help area residents maintain their nutritional health; to remain physically and mentally active; to remain independent; and to remain socially engaged with the community and their fellow citizens. Through the Center’s **Nutritional Program**, we provide on-site congregate meals Monday through Friday. In addition, we provide home-delivered meals to qualified area home-bound individuals through the Kendall County Meals-on-Wheels Program. Our **Transportation Program** provides rides to the center, for local errands and medical appointments for members who no longer drive. Our **Activity Programs** include a Fitness Center designed for older adults, a Learning Center for continuing education and computer training plus a wide variety of other interactive programs and activities. Our **Health/Wellness Program** offers a resource library, health checks, health fairs and seminars on relevant topics such as care-giving, home health care, Medicare services and dietary needs. The center qualifies as a nonprofit tax-exempt organization under Section 501(c)(3) of the IRS tax code. Our EIN is #74-2323883.

   ➢ **Who do we serve:** Anyone age 55 or older is eligible to become a member of the Center. Although our focus is on the needs of older adults living in Kendall County, an individual does not have to be a resident of county to participate. Our services are available to anyone regardless of their race, religion, ethnic background, gender or income level. In FYI 2009-10 we provided services to over 1,300 residents.

   ➢ **Where do you provide services:** In March 2010, the Rainbow Senior Center moved to its new state-of-the-art facility located at 17 Old San Antonio Road in Boerne, TX KRONKOSKY PLACE, the Center for Active Adults 55+ is a 28,000 square foot Activity/Nutritional Center. Our address has changed, but our mission has not. The move into the new building has enabled us to continue to expand our current programs, while adding new programs and activities that will help encourage healthy aging for all segments of our target population for years to come.
