1. Please briefly describe the scope of your agency's work. Printed brochures or fact sheets explaining your organizational goals may be attached.

“The Pregnancy Care Center is committed to serving Christ and our community by educating and caring physically and spiritually for those who have experienced or are at risk for unplanned pregnancy or abortion.”

We seek to meet practical needs of individuals in our community and help break destructive cycles. Please see our website for more information: www.sapregnancy.org

2. Indicate the most appropriate person(s) to contact within your agency regarding internship possibilities.

3. Briefly describe the internship experiences available with your agency.

* Counseling clients about pregnancy options (this would also include providing abstinence and decision-making support to those tested for STDs, providing prenatal development and pregnancy information, as well as general counseling for a variety of life issues).
* Teaching a Bible study or parenting class to the men and women in our material assistance program.
* Working health fairs at high school and college campuses, including speaking to students with our Abstinence Team.
* Performing early obstetric sonograms (must be trained as a licensed Sonographer).

4. Are there any restrictions to an internship that the student or university should be aware of? Will this be a paid position?

Intern must be approved through our normal application and interview process, as well as pass a criminal background screening. Any position offered would be on an unpaid, volunteer basis.
