Requirements for Professional Certification-Reading Specialist

Students seeking the Reading Specialist certificate are eligible to seek approval to test for the state Reading Specialist exam when they have:

• Completed required coursework and Practicum
• Currently in the last semester of the Reading Specialist program

State Exam Registration:

Students are required to submit an Eligibility Form found at the UTSA TExES website, education.utsa.edu/texes and fax the form to the TExES Office, 210-458-5794, for exam approval.

Allow two business days for exam approval. Students can check their approval status by going to their account at the Texas Education Agency (TEA) website. tea.texas.gov

Registration for the state Reading Specialist exam will be completed on the ETS website: www.texas.ets.org
This exam is offered as a Computer Administered Test (CAT) with limited administration sessions available. Check the ETS website for the Limited-Administration schedule.

Applying for State Certification:

Once the UTSA course requirements have been completed and the state exam for Reading Specialist is passed, go to the TEA website to apply for the Reading Specialist certificate.
