3. Briefly describe the internship experiences available with your agency.

   Here at Methodist Mission Home, we value each and every student, striving everyday to meet their needs. One of the most important values we stress to our students here at Methodist Mission Home is working towards a healthier lifestyle. With an onsite, fully functional gymnasium, the opportunities are endless. We are looking to build an athletic program for our students and teach them the benefits of good choices. UTSA students will have the opportunity to gain experience of not only building and enforcing a curriculum, but learn how to do so with special needs clientele.

4. Are there any restrictions to an internship that the student or university should be aware of?
   Will this be a paid position?
   At this point in time, there are no restrictions. This will not be a paid position.
