The University of Texas at San Antonio

Undergraduate Student Handbook

A Guide to Policies & Procedures for Beginning and Transfer Students
TABLE OF CONTENTS

SECTION I. GENERAL INFORMATION
1.1 Welcome & Overview
1.2 Roles & Responsibilities of Administrators in the COEHD: Who does what?
    Department Chairs
    Associate Deans
1.3 Etiquette, Expectations and Protocol
    Etiquette
    Expectations for Students
    Expectations for Faculty by Students and by UTSA
    Protocol

SECTION II. ACADEMIC ADVISING INFORMATION
2.1 Classification of Students
2.2 CFAC vs. COEHD Advising & Certification Center
2.3 Advisors Assigned to the Various Programs
2.4 Academic Advising Downtown Campus
2.5 Appointments versus Walk-In
2.6 Advising Syllabus
2.7 Texas Success Initiative (TSI) Requirements

SECTION III. PROCEDURES & POLICIES OF INTEREST
3.1 Registration
3.2 Restricted Courses
3.3 Census Day
    Why is it a big deal to add a class after that date?
    Adds after census day
    Dropping Courses
    Limitations on the number of courses that may be dropped (with an automatic “W”)
    Dropping Courses Versus Withdrawing from Courses
    Medical &/or Mental Health Withdrawal from the University
3.4 Student Grievances
    General Grievance Procedures
    Academic and Grade Grievance Procedures
    Flowchart of Academic & Grade Grievance Procedures
3.5 Grading System
    Explanation of Credit, Grading System, and Symbols
    Hours Earned
    Grade Point Average
    How To Calculate Your GPA
    Incomplete Grades
    Repeating Courses
    Courses That May be Repeated Not Considered a Duplicate Course
    Courses That May be Repeated to Improve Grade
    Limitations on Repeating Courses to Improve a Grade
Courses That May Not be Repeated to Improve a Grade

3.6 Academic Standing
   Minimum Grade Requirements
   Academic Warning
   Academic Probation
   Academic Dismissal and Reinstatement Policy and Procedures
   First Academic Dismissal
   Subsequent Academic Dismissal
   Provisional Academic Dismissal
   Appeals for Early Reinstatement
   Deadlines to appeal for one semester early reinstatement

3.7 Maximum Hours of Enrollment in Summer Terms

3.8 45/30 Hour Rule (Undergraduate Credit Limitation)

3.9 Three-Attempt Rule

3.10 Petitions

3.11 Registration Holds
   Probationary Hold (PASE Hold)
   Academic Warning Hold (PASE Hold)
   45-Hour Hold
   90-Hour Hold

3.12 Graduation
   Commencement Honors
   University Honors
   Applying for Graduation
   Application Deadlines
   Degree Verification Process
   Diplomas

SECTION IV. STUDENT RESOURCES & SUPPORT

4.1 Associate Dean for Undergraduate Student Success

4.2 Support for Student Diversity
   Center for Inclusion and Community Engagement (ICE)
   Allies Program

4.3 COEHD Computer Lab Information

4.4 Paying for College: Scholarships and Other Financial Resources
   COEHD Scholarships

SECTION V. INFORMATION FOR TRANSFER STUDENTS

5.1 Academic Calendar and Timeline

5.2 Transfer Checklist & Tips

APPENDICES.

APPENDIX A. COEHD Professional Staff, Department, & College Contact Information
APPENDIX B. COEHD Undergraduate Course Prefixes and Department
APPENDIX C. Degrees Offered in the COEHD
APPENDIX D. COEHD Organizational Chart
APPENDIX E. Repeat Policy Effective Fall 2009
APPENDIX F. COEHD Student Clubs and Organizations
APPENDIX G. UTSA Academic Affairs Organizational Chart 2009-2010
APPENDIX H. Abbreviations By Category
APPENDIX I. List of UTSA Colleges & Departments

GLOSSARY OF UNIVERSITY-WIDE TERMS.

COLLEGE OF EDUCATION & HUMAN DEVELOPMENT
UNDERGRADUATE STUDENT HANDBOOK

GENERAL INFORMATION

1.1 WELCOME & OVERVIEW
Welcome to UTSA and to the College of Education and Human Development! Congratulations on making an excellent choice in a university. Established in 1969, UTSA is still a relatively young university. With a current enrollment of approximately 28,500 students, we are the second largest university in the University of Texas System. You will find that we are a vibrant and growing institution.

The COEHD consists of approximately 4,500 majors at the undergraduate, Masters, and Doctoral levels. Our faculty and staff create an especially strong team of professionals; many of them are award winners with national and international reputations. The faculty in the COEHD is particularly student-focused, strong in their fields of study, and looking forward to sharing their expertise with you. Likewise, our highly professional staff is dedicated to helping you have the best experience possible.

This handbook has been created with the new freshman and transfer UTSA-COEHD student in mind. It will introduce you to some of the policies and procedures within the COEHD and UTSA. In addition, it provides an overview of what you can expect from us and what we expect from you. Keep in mind that information changes. Therefore, this handbook will be revised and updated periodically. When consulting the COEHD Undergraduate Student Handbook, be sure you are using the most up-to-date version.

While we have made every attempt to include useful information, we cannot tell you everything. I know you will have more questions along the way. There may be times when you feel lost or frustrated and don’t know where to go to get the answers or assistance you need. When that happens, please call or come by my office. We are here to help you navigate your way around this new and growing place. Think of my office as the place to go when you don’t know where to go.

Otra vez, bienvenidos a la Universidad de Tejas en San Antonio y a la Facultad de Educación y Desarrollo Humano!

Sincerely,
Dr. Tammy J. Wyatt
Associate Dean for Undergraduate Student Success
Main Building 3.214 G&H (1604 Campus)
Phone: 210-458-4416
E-Mail: tammy.wyatt@utsa.edu
1.2 **Roles & Responsibilities of Administrators in the COEHD: Who Does What?**

**Department Chairs.**

There are currently six academic departments in the COEHD: Bicultural-Bilingual Studies (BBL), Counseling (COU), Educational Leadership and Policy Studies (ELPS), Educational Psychology (EDP), Health & Kinesiology (HAK) and Interdisciplinary Learning & Teaching (ILT). Undergraduate students in the COEHD major in either the ILT Department, in the BBL Department, or in the HAK Department. However, depending on your degree plan, you may enroll in courses housed in other departments across the COEHD. (See Appendix A for Department Contact information. See Appendix B for a listing of all disciplines and course prefixes housed in each department. See Appendix C for a list of degrees offered in the COEHD. See Appendix D to view the COEHD organization chart.)

Each department has its own department chair, appointed for a three-year term. Some of their responsibilities include:

- Approving course adds and changes of grades
- Responding to student concerns regarding faculty &/or classes
- Hiring and evaluating faculty
- Creating the course schedule (in consultation with faculty)

**Associate Deans.**

There are five associate deans in the COEHD. Unlike department chairs, associate deans’ positions are ongoing. Two of them, the Associate Dean for Research and the Associate Dean for Graduate Studies, work primarily with faculty and with graduate students. The following three associate deans work with undergraduate students. Their contact information and some of their responsibilities are outlined below:

**Associate Dean for Undergraduate Student Success – Dr. Tammy J. Wyatt**

Phone: 458-4416 Fax: 458-4487
Email: tammy.wyatt@utsa.edu
Office: Main Building (MB) 3.214G & H (inside advising center)

- *The place to go when you don’t know where to go!*
- Facilitates communication between COEHD undergraduate students and the administration, faculty and staff.
- Supervises Director of COEHD Advising Center and Coordinator for Undergraduate Student Services
- Addresses student petitions related to progress toward graduation, i.e.: petitions for reinstatement, grade grievances
- Systematically solicits input from students, faculty, and staff regarding the development of initiatives and programs to meet students’ needs and facilitate their success
- Collects, analyzes, and monitors data related to student retention and graduation for the purpose of identifying and removing (or alleviating) barriers specific to COEHD students.
• Facilitates the development of initiatives and programs to facilitate student success
• Liaisons with community colleges that feed into UTSA (i.e.: ACCD and SWTJC).

Associate Dean for Teacher Education – Dr. Blanche Desjean-Perrotta
Phone: 458-5818 Fax: 458-5794
E-Mail: blanche.perrotta@utsa.edu
Office: Main Building (MB) 0.500
• Oversees all aspects of the teacher certification programs
• Coordinates and supervises professional staff in the teacher education program
• Responsible for implementing Fitness to Teach Policy
• Maintains communication between Texas Education Agency, Texas Higher Education Coordinating Board and UTSA
• Addresses student, staff, and faculty concerns regarding certification programs
• Reviews and analyzes data for TExES exams and other sources to ensure program quality and success

Associate Dean for the Downtown Campus, Dr. Marcheta Evans
Phone: 458-2610 Fax: 458-2605
E-Mail: Marcheta.evans@utsa.edu
Office: Durango Building (DB) 4.226
• Point of Contact for students and faculty requiring COEHD support at the Downtown (DT) Campus for their courses
• Assist students with sending campus mail items to their 1604 departments
• Assist students in locating the contact person they need for their academic questions
• Provide various academic forms to DT students as needed
• Responsible for facilitating COEHD student enrollment and retention at the DT campus
• Coordinating and facilitating the development of DT programs for COEHD

1.3 ETIQUETTE, EXPECTATIONS AND PROTOCOL
ETIQUETTE
When speaking to your professor or a UTSA administrator.
All UTSA administrators (deans, department chairs, etc) and most of your professors have PhDs in their field. It is appropriate to address them as "Dr. ____.” It is never appropriate to address an administrator or a tenured or tenure-track professor as Mr. _____ or Ms. _____ or by his or her first name. Some of your class instructors have master’s degrees. They should be addressed as “Professor ____.” This can sometimes be confusing, so when in doubt, ask!
In class.
Turn your cell phones off in class and do not email or play games on your laptop. Ringing cell phones disrupt the learning environment and bother other students. Playing games, surfing the web or texting friends during class impedes your learning and is discourteous to your professor.

It is always best to attend every class. Be on time, in your seat and ready to learn when the professor arrives. However, if you must miss class, be sure you inform your professor ahead of time if possible. If this is not possible, contact your professor ASAP after class. This can be done by email, phone or briefly before or after class. If you must be late to class or have to leave class early, explain the reason to your professor and apologize for doing so.

Talk to your instructors and let them know if you are confused about material covered in class. Remember, your professors are sources for recommendations for scholarships, student awards and jobs, so it is important to get to know your professors, positively.

Expectations For Students.
First and foremost, attend class. Arrive on time prepared and ready to learn. If you must miss class, you are responsible for finding out from your peers what was missed and contact the professor about missed assignments, etc. Unlike high school, it is not the responsibility of your professor to contact you regarding missing class or missing assignments. All assignments should be neat and turned in on time. Work that is late and/or sloppy tells your professor that you do not care about your learning and the assignment was thrown together at the last minute.

Ask yourself the following questions:
Do I arrive at class on time? Or am I consistently late? Do I meet deadlines or do I frustrate those who can’t do their work until I do mine?

Am I proactive? Do I come to class prepared to learn? Do I try to get something out of my readings, projects, and fieldwork? Do I work hard to get along with others? Am I exhibiting scholarliness, or am I just here to get the credit hours and get out of here?

Am I friendly and helpful to my classmates? Do I give 100% to group projects or do I rely on someone else to pick up the slack?

Do I read my required readings every week? Do I “show what I know” by participating in class discussions? Or do I “blow it off” and choose to “hide” from my professor during class discussions?

Am I open-minded? Do I respect others’ thinking? Do I embrace diversity?

Academic Honesty. All students within the University of Texas-San Antonio and the COEHD are expected to contribute to an atmosphere of high ethical standards and observe all accepted principles of academic honesty. Academic dishonesty is a serious violation of the Student Code of Conduct and includes, but is not limited to, cheating, plagiarism, collusion, submission for credit of any work or materials that are attributable in whole or in part to another person, taking an exam for another person, or any act designed to give unfair advantage to a student or an attempt to commit such acts. It is important that all ideas obtained from others (as well as quotes) be properly referenced. Information derived from the Internet should be properly referenced.
Academic dishonesty is taken very seriously and may result in severe consequences such as failing the course or expulsion from the university. The UTSA Student Code of Conduct can be viewed online at http://www.utsa.edu/infoguide/appendices/b.html

EXPECTATIONS FOR FACULTY BY STUDENTS AND BY UTSA.
University professors have expectations and responsibilities in three areas: teaching, research, and service. You can be very proud of your good choice to attend UTSA as many of the faculty members in the COEHD have received awards for their outstanding contributions in each of these components.

TEACHING.
All faculty members are expected to provide you with a course syllabus early in the semester. The syllabus will include information regarding class assignments and exams, how each assignment is weighted and how your grade will be determined. The syllabus will also explain your professor’s attendance policy and how class attendance and participation factor into your grade. It is important to keep the syllabi for all your classes, as they are key reference guides throughout the semester.

Faculty are also expected to be available to you at designated times outside of class. Each faculty member will note his or her contact information and office hours on the syllabus. If you need to speak with your professor and the office hours do not work for your schedule, contact him or her to make an appointment at another time.

RESEARCH & PUBLISHING.
Unlike K-12 teachers, university professors are expected to conduct original research and publish their findings in professional journals. Many of our faculty members have earned national and international reputations for their research. It is possible that you might be asked to participate in a research study for a professor. Participation in any research study is completely voluntary and anonymous and greatly appreciated.

SERVICE.
In addition to teaching and research, university professors are expected to participate in professional service. There are numerous department, COEHD and university committees in which your professor may participate. In addition to service to the COEHD and UTSA, your professor may also provide service to the profession by serving as an officer or committee member of a professional organization, such as the American Educational Research Association (AERA) or the American Alliance for Health, Physical Education, Recreation and Dance (AAHPERD). Such contributions are time consuming and important to the development of the profession and the visibility of the university.

PROTOCOL.
When issues arise and you need assistance or have a concern, it is important to follow appropriate protocol. It is best not to go directly to the president or to the dean. This will likely take longer and not result in a timely solution. The best person to help you is most likely someone else closer to the problem and easier to get in to see.
The best approach is usually to seek a solution directly with the individual. However, if the concern persists, contact his or her immediate supervisor. For example, if you have a problem with a professor, first try to work it out directly with him or her. If that does not work, the next step would be to go to the chair of the department in which the course is taught. If you have a concern regarding academic advising, contact the Director of Advising.

The key is to identify the direct supervisor of the individual and go up the ladder in order. Following this “chain-of command” will be the most effective route to a solution and save you time in the long run. (See Appendix A for COEHD professional staff, department, and contact information. See Appendix B for a list of course prefixes in each department and Appendix D for an organizational chart of the COEHD.)

If you still do not know who to see or where to go, see the Associate Dean for Undergraduate Student Success located inside the COEHD Advising Center in the Main Building (MB) 3.214 G&H (458-4416). We will direct you regarding where to go and whom to contact. If we do not know the answer to your question, we will find out and get back to you.
ACADEMIC ADVISING INFORMATION

2.1 CLASSIFICATION OF STUDENTS
UTSA undergraduate students are classified according to the following table:

<table>
<thead>
<tr>
<th>Classification Terms</th>
<th>Number of Semester Credit Hours Earned</th>
<th>Advising Center 1604 Campus</th>
<th>Advising Center Downtown Campus</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lower-division</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Freshman</td>
<td>0 to 29</td>

<td>Undergraduate Advising Center</td>
</tr>
</tbody>
</table>

2.2 CFAC VS. COEHD ADVISING & CERTIFICATION CENTER
The Colleges’ Freshman Advising Centers (CFAC) (1604 Campus and Downtown Campus) assists freshmen (students with less than 30 hours) and transfer freshmen with declared majors. The College of Education and Human Development (COEHD) Undergraduate Advising and Teacher Certification Center (1604 Campus) assists sophomores and above (students with 30+ hours). Undecided freshman (classification UND) with less than 45 hours are advised at the Tomás Rivera Center (1604 Campus and Downtown Campus).

</table>

### 2.4 Academic Advising Downtown Campus

The Downtown Undergraduate Advising Center (DTUAC) assists all majors regardless of classification.

Web-site: [http://www.utsa.edu/dtuac/](http://www.utsa.edu/dtuac/)
Location: BV 1.304
Telephone: 210-458-2550
Fax: 210-458-2575
E-mail: dtadvising@utsa.edu

Advisor:
Maria Villareal: maria.villareal@usa.edu
Terri Kurpgeweit: terri.kurpgeweit@utsa.edu

*It is in the student's best interest to stay with one Advising Center to assure continuity.*

### 2.5 Appointments versus Walk-in

Students should make an appointment with their assigned advisor once every Fall and Spring semester to update the degree plan, discuss specific questions and monitor the general progress towards the degree. Schedule your appointment early in the semester and avoid high traffic times, such as the start of registration periods in November or April.
Walk-in times are for emergencies or questions that have a quick answer such as: Does this course fulfill a specific requirement? How do I apply for graduation? Where do I find more information about . . .? You might not be able to see your assigned advisor during walk-in times, as walk-in times are on first-come, first-served basis.

**Walk-in times are not for new or transfer students. They need at least a one hour appointment to discuss degree plan and specific requirements.**

Sign-in sheets for walk-in days are available at 8:00 AM and will be closed once our capacity is reached. You might not be able to get on the walk-in list if you arrive late. Therefore, plan ahead and avoid high-traffic time periods.

Check our website for the most current walk-in schedule and our on-line chat feature [http://coehd.utsa.edu/Students/Advising/index.htm](http://coehd.utsa.edu/Students/Advising/index.htm)

### 2.6 Advising Syllabus

The Advising Syllabus outlines the responsibilities and expectations in the advising process for both the advisor and the student. The Advising Syllabus can be accessed via the following link:

### 2.7 Texas Success Initiative (TSI) Requirements

[http://www.utsa.edu/success/](http://www.utsa.edu/success/)

Under the Texas Success Initiative (TSI), undergraduate students entering Texas public institutions of higher education must be assessed for readiness to enroll in freshman-level academic coursework. The Texas Higher Education Coordinating Board has approved the following four testing instruments to be used to determine students’ readiness to enroll in college level courses:

1. Texas Higher Education Assessment (THEA*) – formerly TASP
2. ACCUPLACER
3. COMPASS
4. ASSET

*THEA test is required for all COEHD students pursuing teacher certification unless otherwise exempt.* [http://coehd.utsa.edu/Students/Advising/THEA.htm](http://coehd.utsa.edu/Students/Advising/THEA.htm)

Students must have scores on file at UTSA for one of these testing instruments prior to initial registration at UTSA. Test results are accepted when submitted directly to UTSA by the testing company or listed on a student’s official academic transcript from a previously attended institution.
PROCEDURES & POLICIES OF INTEREST

3.1 REGISTRATION
All students who have been admitted to UTSA can register for classes on-line at [http://www.utsa.edu/registrar/registration.cfm](http://www.utsa.edu/registrar/registration.cfm). The date is based on your classification with graduate students and seniors being the first student group to register. Take advantage of early registration. Registration for spring courses always starts in November. Registration for summer and fall courses always starts in April. For specific dates check the registrar’s website [http://www.utsa.edu/registrar/registration.cfm](http://www.utsa.edu/registrar/registration.cfm).

3.2 RESTRICTED COURSES
The following courses are restricted to students who have been admitted to the Teacher Certification Program. Students must be admitted to the program before they can enroll in these courses. If you want to enroll but you are not yet admitted to the program, go to the following link for more information: [http://coehd.utsa.edu/Students/Advising/Admin_U_T_C.htm](http://coehd.utsa.edu/Students/Advising/Admin_U_T_C.htm).

If you are admitted to the teacher education program and you have completed all prerequisites, but you are not able to register on-line for the courses below, please contact the Advising Center.

3.3 CENSUS DAY
Census Day is the 12th class day of each long semester. The number of student/class enrollments on Census Day is the basis for the official student statistics that the university reports to the Texas Higher Education Coordinating Board. Up until Census Day, students are allowed to drop individual courses and receive a tuition refund.

WHY IS IT A BIG DEAL TO ADD A CLASS AFTER CENSUS DAY?
Any changes to a student’s schedule after Census Day will have an impact on the university and the student. As a public institution, UTSA will not receive any funding/credit for students who add a course after Census Day. Therefore only in extraordinary circumstances (such as the
student has been attending course, but was dropped due to a UTSA error) will a student be allowed to add a class after Census Day.

At the same time, students who drop an individual course after Census Day will receive a grade of “W” with no refund.

<table>
<thead>
<tr>

<tr>
<td>Add a closed class during add-drop</td>
<td>Obtain an “add form,” fill out the top portion and take it to your advisor. Your academic advisor will sign the form. The advisor’s signature verifies that you do, in fact, need the class.</td>
<td>Obtain signatures from: 1. The instructor, 2. The chair of the department in which the course is housed. (See Appendix I for a full listing of UTSA colleges and the departments housed in each.) Take the “add form” to Enrollment Services to be officially added into the class.</td>
</tr>
<tr>
<td>Add a class after census day</td>
<td>Write a short memorandum explaining your extraordinary circumstance and attach it to the “add form.” Fill out the top portion of the “add form” and take it to your advisor. Your academic advisor will sign the form. The advisor’s signature verifies that you do, in fact, need the class.</td>
<td>Obtain signatures from: 1. The instructor, 2. The chair of the department in which the course is housed, 3. The Associate Dean of the College in which the course is housed, 4. The Vice President for Undergraduate Studies (See Appendix I for a full listing of UTSA colleges and the departments housed in each.) Take the “add form” to Enrollment Services to be officially added into the class. Approval may be denied at any step in the process.</td>
</tr>
</tbody>
</table>

DROPPING COURSES

http://www.utsa.edu/infoguide/ch4g.html#drop

Students may drop courses from their schedules for a limited time each semester. The University Registration Calendar indicates the deadlines for students to drop courses each term.

https://asap.utsa.edu/pls/prod/xwskschd.P_UTSA_OpenSch
http://www.utsa.edu/registrar/reg_materials/reg_calendar_spring.pdf
Courses officially dropped before the Census Date do not appear on a student’s transcript. Students who drop courses between the Census Date and the Automatic “W” Date have a record of the courses on their transcripts with an automatic grade of “W”.

It is the student’s responsibility to drop a course by the appropriate deadline. If a student fails to drop a course, even if the student does not attend the course, he or she will receive a grade of “F” in the class.

**Limitations on the number of courses that may be dropped (with an automatic “W”):**

Students who enroll in higher education for the first time during the Fall 2007 or any subsequent terms are not permitted to drop more than six courses between Census Date and the Automatic “W” Date. This includes any course a transfer student has dropped at another institution of higher education. Only in extenuating circumstances will a student be allowed to drop more than six courses.

Faculty and staff will not drop a student from a course automatically for nonattendance; the student must initiate the process and complete any necessary steps to ensure that the class is dropped.

Students may be administratively dropped from courses for failure to attend certain laboratory courses in the first class week, for failure to attend or participate in developmental courses, for failure to complete course prerequisites prior to the start of the semester, or when courses are canceled.

**Students cannot assume, however, that they will be automatically dropped from any class for failure to attend or failure to pay tuition and fees.** Students are responsible for checking their schedules on ASAP and for checking their official UTSA email accounts to determine if they have been dropped from a class.

After the Automatic “W” Date, a student may not drop a course except with the approval of the Dean of the College in which the course is offered and then only for urgent and substantiated, nonacademic reasons.

Refer to the section, Three-Attempt Rule, for information about the financial consequences of receiving “W” grades.

</table>

Registration calendar and payment timelines:
[https://asap.utsa.edu/pls/prod/xwskschd.P_UTSA_OpenSch](https://asap.utsa.edu/pls/prod/xwskschd.P_UTSA_OpenSch)

**DROPPING COURSES VERSUS WITHDRAWING FROM COURSES**
You may drop individual courses on your own following the time-line of the registration calendar and before the automatic “W” deadline.

After the automatic “W” deadline, you cannot drop an individual course. You may withdraw from all classes and you will receive a “W” for all passing courses and a grade of “F” for non-passing courses. In extenuating circumstances and only for documented non-academic reasons such as medical or mental health reasons, you may be granted an administrative withdrawal to receive the grade of “W.”

**Medical and/or Mental Health Withdrawal from the University**

Students who find it necessary to withdraw from the University or reduce their course loads (drop some of their courses) after the semester begins due to a medical or mental health issue may write a letter requesting the withdrawal or course load reduction and provide appropriate supporting documentation (for example, a letter from a physician or psychologist, hospital, or other medical professional who is already familiar with the student’s condition). The documentation should be submitted to Health Services for medical conditions and Counseling Services for mental health conditions. Once supporting documentation is reviewed by the appropriate service, the service will provide the documentation with recommendations to the Dean of Undergraduate Studies.

A student granted a medical and/or mental health withdrawal or course load reduction will be assigned grades of “W” in the affected courses, unless the effective date of the withdrawal or course load reduction is on or before Census Date, in which case no record of the courses will appear on the student’s transcript.

**3.4 Student Grievances**

http://www.utsa.edu/infoguide/appendices/e.html

UTSA students may need to pursue questions or concerns involving academic or nonacademic aspects of student life. The Student Ombudsperson assists students who are encountering challenges within the campus community by listening to concerns, providing and clarifying information, identifying and evaluating options, acting as a facilitator or mediator, serving as a referral agent, and making recommendations for change to enhance the mission of the University.

The Student Ombudsperson offers confidential services to all students in a welcoming and safe environment and communicates with various representatives and offices to respond to and help resolve concerns in a timely and impartial manner.

The Student Ombudsperson is located in the Office of the Vice President for Student Affairs in the Main Building 4.108 and may be reached at (210) 458-4136.

**General Grievance Procedures**

A student grievance may involve a UTSA employee or other students. A student with a grievance involving a University employee should first seek to resolve the problem with the employee. If the matter cannot be resolved with the employee, then the grievance can be forwarded to the employee’s supervisor in his or her department.
A student who believes another student has violated the Student Code of Conduct may file a complaint with the Office of Student Judicial Affairs.

In conflict situations that do not require a criminal or student conduct response, or have not been resolved through regular grievance channels, it is recommended that students pursue resolution of their conflict with the Student Ombudsperson.

ACADEMIC AND GRADE GRIEVANCE PROCEDURES

In resolving any student grievance regarding grades, evaluations or other academically-related situations involving a faculty member, the student must first make a serious effort to resolve the matter with the faculty member with whom the grievance originated. It is University policy that individual faculty members retain primary responsibility for assigning grades and student evaluations. The faculty member’s judgment is final unless compelling evidence shows discrimination, differential treatment or factual mistake, or violation of a relevant University policy. If the matter is not resolved, the student may file a formal grade grievance with the Department Chair. **The student must file the grievance in writing with the Department Chair within 90 calendar days from the end of the term in which the grade was assigned or the other concern or incident occurred.**

The Department Chair will communicate his or her decision to the student and forward a copy to the Dean of the College. The student may appeal the decision to the Dean of the College and then to the Dean of Undergraduate Studies. Appeals to the Dean of Undergraduate Studies must use the Student Academic Grievance Form. The decision of the Dean of Undergraduate Studies is final.
Flowchart of Academic and Grade Grievance Procedures

Student/Instructor Conflict

- Appeal to instructor immediately

- Matter resolved with instructor

- Dissatisfied with decision and you believe there is evidence of discrimination, differential treatment, factual error, or violation of University policy

- Written Appeal to Department Chair within 90 days after semester end in which grade was assigned

- Dissatisfied with decision

- Written Appeal to the COEHD Associate Dean for Undergraduate Student Success

- Dissatisfied with decision

- Obtain Student Academic and Grade Grievance Form from the Dean's office and appeal to Dean of Undergraduate Studies (MB 2.102)

- The Decision of the Dean of Undergraduate Studies is final

In no circumstances will grades be changed after one calendar year.
3.5 Grading System

Explanations of Credit, Grading System, and Symbols

Hours Attempted. The number of hours attempted is the total number of semester credit hours for which a student has enrolled and received grades of “A,” “B,” “C,” “D,” “F,” “W,” or “CR” except as provided for repeated courses.

Hours Earned.
The hours earned by a student are the number of semester credit hours in which grades of “A,” “B,” “C,” “D,” or “CR” have been received. Refer to sections, Undergraduate Credit Limitation and Three-Attempt Rule, in this chapter, for information about the financial consequences of receiving “W” and “F” grades.

Grade Point Average.
The UTSA grade point average is determined by dividing the number of grade points earned at UTSA by the number of for-credit semester credit hours attempted at UTSA. Credits and grades for work completed at other institutions or credits earned by examination are not included in the UTSA grade point average.

Students who are in a UTSA-hosted degree program through the UT TeleCampus and declare UTSA as their home institution will have the courses taken at other institutions through the UT TeleCampus listed on their UTSA transcript and counted in their UTSA grade point average. Other credit courses taken through the UT TeleCampus count as transfer credit and apply to a UTSA degree as determined by the student’s academic advisor.

The following table explains UTSA grade symbols.

<table>
<thead>
<tr>
<th>Grade Symbol</th>
<th>Grade Points</th>
<th>Meaning of Grade Symbol</th>
</tr>
</thead>
<tbody>
<tr>

NR | 0 | No Report. Assigned only by the Registrar when unusual circumstances do not allow a student’s grade to be entered by the deadline for processing grades. It is replaced with the official grade as soon as possible.

EX | 0 | Expelled

**HOW TO CALCULATE YOUR GPA**

\[ \text{Letter Grade} = \text{Grade Points} \]

\[ \begin{align*}
A & = 4 \\
B & = 3 \\
C & = 2 \\
D & = 1 \\
F & = 0
\end{align*} \]

Example:

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade</th>
<th>Grade Points</th>
<th>X</th>
<th>Semester Credit Hours</th>
<th>=</th>
<th>Total Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>COM 3083</td>
<td>B</td>
<td>3</td>
<td>X</td>
<td>3</td>
<td>=</td>
<td>9</td>
</tr>
<tr>
<td>HIS 1043</td>
<td>A</td>
<td>4</td>
<td>X</td>
<td>3</td>
<td>=</td>
<td>12</td>
</tr>
<tr>
<td>CS 1023</td>
<td>D</td>
<td>1</td>
<td>X</td>
<td>3</td>
<td>=</td>
<td>3</td>
</tr>
<tr>
<td>MKT 3013</td>
<td>C</td>
<td>2</td>
<td>X</td>
<td>3</td>
<td>=</td>
<td>6</td>
</tr>
<tr>
<td>MAT 1023</td>
<td>C</td>
<td>2</td>
<td>X</td>
<td>3</td>
<td>=</td>
<td>6</td>
</tr>
<tr>
<td>KIN 1001</td>
<td>B</td>
<td>3</td>
<td>X</td>
<td>1</td>
<td>=</td>
<td>3</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td>=</td>
<td><strong>39</strong></td>
</tr>
</tbody>
</table>

**Formula:**

\[
\frac{\text{(Total Grade Points)}}{(\text{Total # of credits hrs})} = \text{GPA}
\]

\[ \frac{39}{16} = 2.43 \]

**INCOMPLETE GRADES**

The grade “IN” is given by an instructor to indicate that some part of the work of a student in a course has, for good reason, not been completed, while the remainder of the student’s work in the course was satisfactorily completed. The Incomplete allows a student to complete the
course without repeating it. A grade of Incomplete may not be assigned when a definite grade can be given for the work done. The student must have been in attendance at least three-fourths of the semester and be passing to receive a grade of “IN.”

Whenever a grade of Incomplete is assigned, the instructor is required to submit requirements for removal of the Incomplete. Although the student has a maximum of one year to complete the course requirements, the instructor may set an earlier deadline. After course requirements are fulfilled, the instructor will submit a change of grade form. You should check ASAP to be sure the change of grade has been processed.

In undergraduate courses, incomplete work must be made up no later than the end of the final examination period one year from the semester the Incomplete was received and before the student’s graduation. A student cannot graduate with an “IN” grade on the transcript. If the work is not completed within this time, the “IN” is automatically changed to a grade of “F” or “NC.”

UNDER NO CIRCUMSTANCES WILL GRADES BE CHANGED AFTER ONE CALENDAR YEAR.

REPEATING COURSES
The policy for repeating courses, as stated below, only applies to courses completed and repeated at UTSA.

COURSES THAT MAY BE REPEATED NOT CONSIDERED A DUPLICATE COURSE
Certain courses in the catalog state in their course description that they “may be repeated for credit.” These are the only courses where repeating is not a duplication. All semester credit hours and grade points from each of these courses taken are included in the student’s record.

COURSES THAT MAY BE REPEATED TO IMPROVE A GRADE
Students may only repeat a course for credit in which they received a grade of “D” or “F.” Credit can be counted for only one of the courses. Receipt of a higher grade in a subsequent semester does not alter the student’s academic standing in the semester when the original grades were earned. Students may repeat any course in which they received a grade of “NC” in order to improve their grade; however, this does not alter the student’s overall grade point average.

The following repeat policy became effective beginning with the Fall 2009 Semester:
If a student repeats a course in which he or she received a grade of “D” or “F” and receives a higher grade, the semester credit hours from the original grade of “D” or “F” are excluded from the student’s grade point average. Only the semester credit hours from the higher grade are used in calculating the grade point average. If the student earns the same grade or a lower grade, then the repeated course grade is not used in computing the grade point average. The repeated course is marked as excluded on the student’s official record. All grades remain on the student’s official academic record.
LIMITATIONS ON REPEATING COURSE TO IMPROVE A GRADE
An undergraduate student may repeat an individual course only once in an attempt to improve a grade, and may repeat at most four courses in attempts to improve grades. For a course in which a student has received two grades of “D” or “F,” all grades earned in any subsequent enrollments in the course will be included in the computation of the student’s grade point average. For a student who already has four attempts at repeating courses to improve grades, all grades earned in any subsequent enrollments in which the student already has received grades of “D” or “F” will be used in the computation of the grade point average.

COURSES THAT MAY NOT BE REPEATED TO IMPROVE A GRADE If a student repeats a course in which a grade of “A,” “B,” “C,” or “CR” was earned, and the course description does not indicate that the course “may be repeated for credit,” then the repeated course is marked as a duplication and the grade and semester credit hours for the repeated course are not used in the calculation of the student’s grade point average or the number of hours earned at UTSA.

See Appendix E for the Repeat Policy Effective Fall 2009.

3.6 ACADEMIC STANDING
MINIMUM GRADE REQUIREMENTS
Students are expected to maintain a level of scholastic achievement that allows them to meet the grade requirements for graduation. Students remain in good standing when they maintain a UTSA grade point average of 2.0 or higher. Students who fail to maintain the minimum required grade point average of 2.0 in all work attempted at UTSA will be placed on academic warning, academic probation, or academic dismissal as appropriate.
In order to graduate, students must maintain a minimum 2.0 cumulative GPA and at least a 2.0 in their major. However, students who want to be admitted to the Teacher Certification Program must maintain a 2.5 GPA or higher in all course work completed at UTSA, Transfer Schools and in all Core courses.

ACADEMIC WARNING
First-time undergraduates at UTSA, including transfer students, who were admitted in good standing and earn a semester grade point average between 1.0 and 1.99 during their first semester at UTSA are placed on academic warning. New provisional students and students admitted on academic probation are not eligible for the academic warning status.
First-time undergraduates at UTSA, including transfer students, who were admitted in good standing and have a semester grade point average below 1.0 during their first semester are placed on academic probation and bypass the academic warning status completely.
Students on academic warning must be advised prior to registration to help ensure their academic success. Freshmen who have declared majors are advised in the Colleges’ Freshman Advising Center (CFAC). Students who have earned 30 or more semester credit hours and have declared majors are advised in the advising center of the college of their major. Students who are undecided are advised in the Tomás Rivera Center (TRC).
At the end of their second semester of registration at UTSA, the academic standing of students on academic warning will be changed to good standing if their overall UTSA grade point
average rises to at least 2.0 or their academic standing will be changed to academic probation if their overall UTSA grade point average remains below 2.0.

_Students on academic warning may enroll in no more than 13 semester credit hours in a Fall or Spring semester and no more than seven semester credit hours in a Summer semester._

_Sophomores and above in the COEHD with a UTSA GPA between 2.0 and 2.49 will have an academic warning hold (PASE hold)._ Students are required to complete the PASE exercise through Blackboard and meet with an advisor to discuss their academic progress and have the hold permanently lifted.

**ACADEMIC PROBATION**

Students in good standing (as defined above) and whose overall UTSA grade point average falls below 2.0 (other than first-time undergraduates who meet the criteria for academic warning) are placed on academic probation. Academic probation will be cleared when a student achieves a 2.0 overall UTSA grade point average.

Students placed on academic probation must make a semester grade point average of 2.0 or above in each semester of probation in order to remain enrolled. Students on academic probation whose semester grade point average is below 2.0 will be placed on academic dismissal, even if their overall UTSA grade point average is above 2.0.

_Sophomores and above in the COEHD with a UTSA GPA below a 2.0 will have a probationary hold (PASE hold) on their records._ Students are required to complete the PASE exercise through Blackboard and meet with an advisor to discuss their academic progress before the hold can be temporarily lifted.

Students on academic probation must be advised prior to registration to help ensure their academic success. At that time, the student and the advisor will develop a remedial plan specifying expectations the student will be required to meet during the semester. Students who do not follow this plan will be subject to academic dismissal.

Students cannot graduate while on academic probation.

_Students on academic probation may enroll in no more than 13 semester credit hours in a Fall or Spring semester and no more than seven semester credit hours in a Summer semester._

_Students on academic probation during a Spring semester may not enroll in the following May Mini-semester._

**ACADEMIC DISMISSAL AND REINSTATEMENT POLICY AND PROCEDURES**

Students on academic probation who earn a semester grade point average below 2.0 will be placed on academic dismissal. There are three types of academic dismissal, each of which is described below.

If students believe there are non-academic, documented, extenuating circumstances that contributed to their inability to do well academically, they may appeal their dismissal through the Associate Dean’s office.

**First Academic Dismissal.** Students, other than those classified as provisional students, who are placed on academic dismissal for the first time will be reinstated if they so choose after not attending UTSA for the next regular semester (Fall, Spring, or entire Summer semester).
Students seeking reinstatement must apply for admission with the Admissions Office by July 1 for Fall semester, December 1 for the Spring semester, and May 1 for Summer semester. (To receive priority admissions status, students should submit application packet by March 1 for Summer and Fall semester admission and October 15th for Spring semester admission.) Students on academic dismissal from UTSA may attend other institutions and transfer appropriate coursework completed to UTSA, but grades earned cannot count toward or be used to improve their UTSA grade point average.

SUBSEQUENT ACADEMIC DISMISSAL.
Students placed on academic dismissal for a second or subsequent time may be reinstated after not attending UTSA for one calendar year with the approval of the COEHD reinstatement committee.

Students seeking reinstatement must apply for admission to the Admissions Office and pay the reinstatement fee. The application for admission may be filed online. Upon application and fee payment, the Admissions Office will forward a petition packet containing the petition form and complete instructions to the applicant. The application, reinstatement fee, petition form and all required supporting documentation must be on file in the Admissions Office by June 15 for the Fall semester; October 15 for the Spring semester; and March 15 for the Summer semester, to be considered by the appropriate reinstatement committee. The reinstatement committee’s decision, and any conditions of the decision, will be communicated to the applicant by the reinstatement committee.

Appeal of a denial for reinstatement may be made to the Dean of Undergraduate Studies within two weeks after notice of the denial is postmarked. The decision of the Dean of Undergraduate Studies is final.

Students on academic dismissal from UTSA may attend other institutions and transfer appropriate coursework completed to UTSA, but grades earned cannot count toward or be used to improve their UTSA grade point average.

PROVISIONAL ACADEMIC DISMISSAL.
Provisionally admitted students who are placed on academic dismissal must attend another college or university and complete a minimum of 12 semester credits of transferable college coursework with a minimum 2.0 grade point average to qualify for reinstatement to UTSA. Provisionally admitted students who have been dismissed, met these qualifications, and wish to be reinstated should apply for admission with the Admissions Office by July 1 for the Fall semester, December 1 for the Spring semester, and May 1 for the Summer semester. The application for admission may be filed online.

APPEALS FOR EARLY REINSTATEMENT
Early reinstatements are very rare. In order to be considered for early reinstatement, you must submit a packet of information that presents a compelling argument for this exception to University policy. Detailed information regarding appeal packets and relevant deadlines can be obtained from the Associate Dean for Undergraduate Student Success (MB 3.214H, 458-4416).

**DEADLINES TO APPEAL FOR ONE SEMESTER EARLY REINSTATEMENT**

Please check the website for specific dates as they vary depending on the start of the semester. [http://coehd.utsa.edu/Students/Advising/Reinstatement_Procedures.htm](http://coehd.utsa.edu/Students/Advising/Reinstatement_Procedures.htm)

**3.7 MAXIMUM HOURS OF ENROLLMENT IN SUMMER TERMS**

The Texas Higher Education Coordinating Board sets limits on the number of semester credit hours in which a student may enroll during a semester where the courses are offered in a shortened format. Therefore, students may enroll in no more than 3 semester credit hours in a three-week summer term, no more than 4 semester credit hours in a four-week summer term, and no more than 6 semester credit hours in a five-week summer term. **In particular, a student may enroll in no more than 3 semester credit hours in the May Mini-mester.** Students on academic probation during a Spring semester may not enroll in the following May Mini-mester.

**3.8 45/30 HOUR RULE (UNDERGRADUATE CREDIT LIMITATION)**

Section 54.068 of the Texas Education Code was amended during the 76th legislative session to allow institutions of higher education to charge a higher tuition rate to resident students for semester credit hours attempted in excess of 45 semester credit hours above those required for completion of a degree program. **The law applies only to new undergraduate resident students beginning in Fall 1999 or later.** The 79th Legislative session changed the reduction
of the semester-credit-hour limitation to 30 semester credit hours for all new undergraduate resident students who enroll for the first time in Fall 2006 or thereafter.

The 45 (or 30) hours include courses which are repeated, duplicated, or courses for which the student received a grade of “W.” Although the law allows some exclusions, hours for courses passed, failed, withdrawn, and dropped are counted in the 45 (or 30) hours if the student took them while paying resident tuition at a public institution in Texas.

Resident undergraduate students who initially enrolled during or after the Fall 1999 Semester and who enroll in courses in excess of 45 semester credit hours above those required for completion of their degree program will be assessed an additional charge of $121 per semester credit hour. Effective Fall 2006, all new undergraduate resident students will be assessed the higher tuition rate for semester credit hours attempted in excess of 30 semester credit hours above those required for completion of a degree. Students with questions or who wish to appeal this policy due to extenuating circumstances should contact their advisor.

3.9 Three-Attempt Rule

The Texas Legislature enacted legislation that does not allow universities to receive state funding for courses containing the same content attempted by a student more than twice at the same Texas state-supported institution of higher education. This regulation not only includes completing a class more than twice, but also includes classes where grades of “W” were earned by withdrawing from classes or dropping a class after the official semester Census Date (see the online registration instruction calendars for specific Census Dates for each semester).

Upon the third or subsequent attempt to take the same course at UTSA, a surcharge per semester credit hour will be assessed by UTSA for courses that fall into this category. This surcharge will be in addition to the regular in-state per semester credit hour tuition rate. Current tuition, fees, and charges schedules can be accessed on the Fiscal Services website: http://www.utsa.edu/fiscal_services/.

However, out-of-state students who pay the out-of-state rate would not be subject to the surcharge; out-of-state students with fee waivers or who are exempt from paying the out-of-state rate would be assessed the surcharge at the same rate as in-state students.

The Texas Legislature has mandated that students be held accountable for any courses they have taken beginning with the Fall 2002 semester (this means that the “course count” begins with courses taken or dropped after Census Date beginning with the Fall 2002 semester). However, certain classes will be exempt from this rule such as independent study and special topics courses with differing content. Students who, in their final semester or term prior to graduation, must repeat one or more previously completed courses for the second or more times in order to meet graduation requirements, will be exempt from paying higher tuition for the repeated course(s) only in the semester or term prior to graduation and shall be permitted the exemption from paying higher tuition for the repeated course(s) for only one semester. Those students wishing to apply for this exemption need to go through the appeal process described below.

Undergraduate students wishing to appeal a charge because of the three-attempt rule may complete an appeal form available in the college advising centers for undergraduate students.
3.10 Petitions
Extenuating circumstances may warrant a waiver of university regulations or degree requirements and students have to petition to the Associate Dean for Undergraduate Success. The following degree requirements cannot be waived:
Completion of 39 hours of upper division course work
Completion of at least 120 total hours
Completion of 30 hours in residency

Students need to meet with an advisor to initiate the petition process.

3.11 Registration Holds
The COEHD Undergraduate Advising Center handles the following four registration holds. For any other holds, contact the appropriate office as indicated in ASAP.

Probationary Hold (PASE Hold)
If your UTSA GPA is below a 2.0, you are on academic probation and the University places a registration hold on your records. You are required to log on to Blackboard, complete the PASE exercise, submit certificates of completion and make an appointment with your academic advisor to have the hold temporarily lifted for registration purposes.
ACADEMIC WARNING HOLD (PASE HOLD)
If your UTSA GPA is between 2.0 and 2.49, COEHD places a hold on your records, as you are at high risk to fall on probation. To have the hold temporarily lifted, you should contact the Advising Center by telephone or e-mail. You are required to log-on to Blackboard, complete the PASE exercise and make an appointment with your advisor within a semester time frame. Once you have met with your advisor, the registration hold will be permanently deleted. You are only required to do the PASE exercise once.

45-HOUR HOLD
If you have completed 45 hours and you do not have a semester-by-semester plan on file with your academic advisor, the University places a registration hold on your records. To have the hold removed, you need to complete a semester-by-semester plan and make an appointment with your advisor to discuss your degree plan. Once you meet with your advisor and have a semester-by-semester plan on file, the registration hold will be permanently lifted.

90-HOUR HOLD
If you have completed 90 hours and you do not have a semester-by-semester plan on file with your academic advisor, the University places a registration hold on your records. To have the hold removed, you need to complete the semester-by-semester plan showing your remaining courses until your graduation and submit the form to the Advising Center. Your advisor will verify your plan and if correct, permanently lift the hold. Turn around time for this hold to be lifted is five business days.

3.12 GRADUATION
Graduation & the commencement ceremony – not the same!
Graduation is the process of being awarded a degree. All graduate and undergraduate students wishing to graduate, whether or not they intend to participate in the commencement ceremony, must apply for graduation by the semester deadline. Commencement ceremonies are the services held at the end of each Fall and Spring semester. These are ceremonies in which the attainment of the degree is recognized and celebrated by the University community and the students’ friends and family. Commencement ceremonies are held in May for the Spring semester and December for the Fall semester. There is no commencement ceremony in summer, and students who graduate in summer have the option to participate either in the Spring or Fall ceremony. (See specific deadlines for summer candidates.)

Participation in a commencement ceremony does not imply or infer the awarding of a degree at the time of the commencement ceremony; a final degree audit must be completed before a degree is officially awarded.

COMMENCEMENT HONORS
- Commencement honors are determined by using the UTSA GPA at the end of the semester immediately preceding the semester in which the student is a candidate.
- The same divisions for cum laude, magna cum laude, and summa cum laude are used as indicated in the section below titled “University Honors.”
• The student must have a minimum of 45 UTSA semester credit hours, including those currently in progress.
• Prior to the May and December commencement ceremonies, students will be notified if they are eligible to participate with honors at the commencement ceremonies.

Participation with honors at commencement does not imply that the student will be awarded University Honors. Students must achieve a GPA eligible for honors once final grades are posted for the semester in which the student is a candidate.

UNIVERSITY HONORS
Degree requirements to graduate with University Honors:

<table>
<thead>
<tr>
<th>GPA requirement (in all course work attempted at UTSA)</th>
<th>Honor</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.50</td>
<td>Cum Laude</td>
</tr>
<tr>
<td>3.75</td>
<td>Magna Cum Laude</td>
</tr>
<tr>
<td>3.90</td>
<td>Summa Cum Laude</td>
</tr>
</tbody>
</table>

• Candidates who have completed some portion of the requirements for the baccalaureate degree at other collegiate institutions may graduate with honors when they meet the GPA requirements listed above, in addition to completing a minimum of 45 semester credit hours at UTSA by the time of graduation (excluding courses challenged by examination or taken on a credit/no-credit basis in which only the symbol "CR" is recorded).
• No degree candidate shall be eligible for graduation with honors if disciplinary action has been taken against the student by the University at the time of graduation.

APPLYING FOR GRADUATION
Students are responsible for applying for graduation. It is recommended that undergraduates apply for graduation after completing 90 semester credit hours. Applying for graduation is a two step process for COEHD students:

**Step 1.** Log into ASAP

- Click on the Student Services & Financial Aid link
- Click on the Student Records link
- Click on the Graduation link
- Click on the Graduation Application/Survey link
- Please read all instructions carefully. Your application will not be processed unless you complete the application in its entirety and receive a confirmation number on the last page. Please print the page and keep it for your records.
If you have any questions about the application process, please call the Graduation Coordination Office at 458-8000.

**Step 2.** Request a degree audit in the COEHD Undergraduate Advising Center

- Print out the degree audit request form
  
  [http://coehd.utsa.edu/Students/Advising/forms/DEGREE_AUDIT_REQUEST.pdf](http://coehd.utsa.edu/Students/Advising/forms/DEGREE_AUDIT_REQUEST.pdf)

- Fill out form and submit to COEHD Undergraduate Advising Center
- Check my.utsa.edu account for results

It is recommended that you submit the degree audit request by May 1st for Summer and Fall graduation and December 1st for Spring graduation.

If a student has officially declared multiple majors, multiple concentrations, or multiple minors, he or she must apply for graduation by submitting an additional form to the Graduation Coordination office [http://www.utsa.edu/registrar/grad_info.cfm](http://www.utsa.edu/registrar/grad_info.cfm)

**APPLICATION DEADLINES**

The on-line application for graduation must be submitted by the semester deadlines:

- Fall Graduation (December): April 15th
- Spring Graduation (May): November 15th
- Summer Graduation (August): June 15th
- Summer Graduation participating in May Commencement: February 15th

**DEGREE VERIFICATION PROCESS**

Once all final audits are completed – approximately 30 days after the end of the term – degrees will be posted to the transcripts.

During the semester of graduation, the COEHD undergraduate advising center is responsible for auditing the degree plan to ensure that uniform requirements for the degree are met. At the close of the semester, a final audit will be conducted to verify completion of all degree requirements.

Students who apply for the degree in a given semester but do not fulfill all requirements must submit a new application for graduation before the deadline for the semester in which they intend to graduate.

**DIPLOMAS**

- Diplomas include the following information: student’s name, degree and major. University honors and Honors College tiers are included for qualifying students.
• The name on the diploma will reflect the first, middle, and last name as recorded in the UTSA Student Information System. If there are questions regarding the diploma name, the student should contact the Graduation Coordination Office at 458-8000 or by email at GraduationCoordination@utsa.edu

• Diplomas are mailed to the address provided by the student on the ASAP Application for Graduation. It is recommended that all degree candidates log into ASAP before the end of the semester and verify that the diploma address is correct.

• If the diploma address is incorrect, log into ASAP and update it under the Personal Information menu.

• Diplomas are printed and mailed approximately 45 days after the end of the semester.

• Diplomas will not be mailed to students with University Holds. Please log into ASAP to verify that no holds exist on your account.
STUDENT RESOURCES & SUPPORT

4.1 ASSOCIATE DEAN FOR UNDERGRADUATE STUDENT SUCCESS

UTSA is a big place and can be very confusing. If you do not know where to go, contact the office of the Associate Dean for Undergraduate Student Success. The Associate Dean, Dr. Tammy Wyatt, or her assistant, Ms. Silvia Barta, can help you. All your problems cannot be solved in this office. However, we can help you obtain the information you need to get you to the right place.

The Associate Dean for Undergraduate Student Success is located in the Main Building (MB) 3.214 H&G, inside the COEHD Advising Center.

Phone: (210) 458-4416
E-Mail: Dr. Tammy Wyatt tammy.wyatt@utsa.edu
       Ms. Silvia Barta silvia.barta@utsa.edu

4.2 SUPPORT FOR STUDENT DIVERSITY.

UTSA strongly promotes and supports diversity. Learning how people relate to each other is important to your education. The University’s strategic plan states that we all have “. . . the intellectual and moral obligation . . . to understand and value differences among [society’s] members.” To facilitate meaningful interaction between and among various minority groups, a variety of centers and programs have been established. Among them are the Center for Inclusion and Community Engagement (ICE) and the Allies Program.

CENTER FOR INCLUSION AND COMMUNITY ENGAGEMENT (ICE).

Vision Statement The Inclusion and Community Engagement Center seeks to be a nationally recognized diversity and volunteer services center, providing innovative programming and services to our campus and local community.

Core Values The Inclusion and Community Engagement Center strivies for cross-cultural understanding and appreciation of all our diverse histories and experiences.

We value:
• Meaningful dialogues across ethnic, cultural, sexual orientation and gender identity lines while providing support for single group interest.
• Exploring the educational benefits of active volunteerism for our students.
• Access to higher education and other retention efforts which encourage the success, educational and professional development of all individuals, particularly those from underrepresented groups.
• Cross-cultural collaboration with the San Antonio community through programming, symposia, volunteer experiences and skills-development activities, which enhance the community involvement and academic mission of UTSA.
• Guidance, training, and support to other campus units towards the accomplishment of a vision
of equality and diversity.
For more information, contact ICE at (210) 458-4770 or http://www.utsa.edu/ice/

ALLIES PROGRAM.
The Allies Program seeks to empower all administrators, faculty, staff and students to create and maintain a welcoming and inclusive environment for all gay, lesbian, bisexual and transgender (GLBT) members of our campus community. By providing support, resources, and educational programs, Allies will help GLBT students find their place and remain a vital part of the UTSA community. For more information consult the Allies website:
http://www.utsa.edu/counsel/Ally.htm

4.3 COEHD COMPUTER LAB INFORMATION
The College of Education & Human Development Computer labs are located in the Main Building (MB) at the 1604 campus and in the Frio Street Building (FS) at the Downtown Campus. These labs are only for COEHD students and were improved with education students in mind. The labs have 20” iMacs with dual operating systems, Windows or Mac OS, providing students a choice of which system they wish to use. Slimmer tables have been incorporated to maximize the space of the labs as well as to allow the students enough table space to read and write. Limited printing is available.

Students must present UTSA ID.
Visit us at http://coehd.utsa.edu/current_students/student_computer_labs/ for latest hours and additional up-to-date information.

4.4 PAYING FOR COLLEGE: SCHOLARSHIPS AND OTHER FINANCIAL RESOURCES

Step 1. Apply for Financial Aid
Every year, UTSA receives funding from the federal and state government to assist you in obtaining a college education. To access these funds, you will need to complete a Free Application for Federal Student Aid (FAFSA). Based on the results of the FAFSA, the UTSA Financial Aid office will be able to determine if you are eligible to receive any of these monies to help with the cost of school.

To submit a FAFSA, visit: http://www.utsa.edu/financialaid/

How often will I need to submit a FAFSA?
You should apply every academic year. The earliest you can submit your FAFSA for a particular academic year is January 1st. Don’t assume you don’t qualify. Apply!

How does applying for financial aid help me qualify for scholarships?
To be considered eligible for some scholarships, you must demonstrate financial need At UTSA, we look at the results of your FAFSA to determine if you meet this requirement.

Is there anything I can do to maximize the amount of financial aid that I receive?
Yes. January 1st is the earliest you can submit your FAFSA for the next academic year.
The UTSA Financial Aid Office awards certain types of financial aid on a “first come, first served” basis until the funds are expended. Thus, by filing early in the year, you are able to “get in line” to be considered for these funds before they are depleted. If you don’t have your tax forms in January, you can file an estimated FAFSA and then update it later in the year.

**Be sure to accept your financial aid award by the stated deadline.**

If you fail to accept your financial award by the deadline, then some of your funds may be given to other students.

**Step 2. Apply for Scholarships**

Scholarships are funded by individuals and organizations who are interested in providing free money to help you with the cost of your education. **Most scholarships have a once a year application deadline date that occurs months before you actually receive the money.** Most scholarship deadlines fall early in the Spring semester and continue into the summer for awards that will be given during the next academic year.

**The UTSA Scholarship Office**

- Provides general scholarships to all UTSA students.
- Application deadline is *February 15th each year.*
- A listing of available general scholarships can be found at: [http://www.utsa.edu/scholarships/genscholar.cfm](http://www.utsa.edu/scholarships/genscholar.cfm)

**The College of Education and Human Development Scholarships**

The Coordinator of Undergraduate Student Services administers the COEHD Scholarship Program through the Office of the Associate Dean for Undergraduate Student Success.

**Location of office:** Main Building, 3.214-J  
**Contact:** Francesca Bronder at Francesca.Bronder@utsa.edu or call 210-458-4021

- The College offers scholarships that are specifically for COEHD majors or students seeking secondary degrees or post-baccalaureate teaching certificates. **Application deadlines for most awards occur in early March.**

- A list of available COEHD Scholarships can be found on the COEHD website at: [http://coehd.utsa.edu/Students/Scholarships/PSAvialCOEHD.htm](http://coehd.utsa.edu/Students/Scholarships/PSAvialCOEHD.htm)

- Undergraduate students can obtain individual assistance in finding and applying for scholarships by scheduling an appointment with Francesca Bronder, Coordinator of Undergraduate Student Services. To schedule a session, e-mail the days and times of the week that you are available to: Francesca.Bronder@utsa.edu or call 210-458-4021.
• Mass e-mail notification about upcoming scholarship opportunities and deadlines are sent
  out to interested students via the COEHD Scholarship Alert E-mail List. To add your
  name to the list, e-mail Francesca.Bronder@utsa.edu or call 210-458-4021.

• On the College’s webpage, information about additional scholarship opportunities and
  other financial resources can be found at:
  http://coehd.utsa.edu/Students/Scholarships/available_scholarships.htm.
INFORMATION FOR TRANSFER STUDENTS

5.1 ACADEMIC CALENDAR AND TIMELINE

- Transfer students should pay close attention to the Academic Calendar and note that deadlines and registration dates may occur **much earlier** at UTSA than other institutions, especially community colleges.
- Financial Aid is awarded for the full year at UTSA. Priority deadlines and scholarships are awarded in early Spring for the next academic year. The UTSA General Scholarship deadline is February 15. The recommended deadline for the FAFSA is March 1, although your FAFSA may be submitted as early as January 1. Delays in submitting financial aid documentation may impact the amount of financial aid awarded. [www.utsa.edu/financialaid](http://www.utsa.edu/financialaid)
- Students should plan in advance to see an academic advisor for registration and course scheduling assistance. It is a good idea to schedule an advising appointment as soon as you have been admitted, and again when the schedule for the upcoming semester is released. [http://coehd.utsa.edu/Students/Advising/index.htm](http://coehd.utsa.edu/Students/Advising/index.htm)

### Spring Year
- Registration for Summer and Fall semesters occurs at the same time.
- Calendars, payment deadlines, and registration information **can only be found online**. UTSA does not print or mail this information to students directly.
  - You can find the UTSA Academic Calendar online at: [http://www.utsa.edu/cal.cfm](http://www.utsa.edu/cal.cfm)
  - The Registration Calendar and Deadlines, including payment deadlines can be found at: [https://asap.utsa.edu/terms.htm](https://asap.utsa.edu/terms.htm)

#### Transfer Checklist and Tips

- Transcripts
  - In addition to transcripts submitted for admission purposes, transfer students should submit an additional transcript from the most recently attended institution with final grades. While an admissions decision can be made with some work still in progress, credit for on-going courses cannot be posted to a student’s record until an official transcript with final grades has been submitted.
✓ Students should log on to ASAP (https://asap.utsa.edu/) and check their record to make sure that all transcripts have been received, and that all courses taken appear on their record.

   https://asap.utsa.edu/

   Log in to your student account

   “Student Services and Financial Aid’

   “Student Records’

   “View unofficial transcripts’

✓ Students without complete transcripts may encounter complications when trying to register.

   o Visiting with an advisor
      ✓ Transfer students should make a one hour appointment with an advisor in the COEHD Advising Center (MB 3.214) as soon as they are officially admitted to UTSA. Appointments can be scheduled by calling 210-458-4424. New transfer students are discouraged to come to walk-in hours, as there will not be sufficient time to discuss degree requirements in detail.

   o Catalog
      ✓ At UTSA, a new undergraduate catalog is introduced every 2 years and is valid for seven years. There are curriculum and pre-requisite changes in every catalog. Available programs, core curriculum requirements, and major requirements may be added or subtracted.

      ✓ Students transferring to UTSA from a public community college in Texas have the option to follow the catalog that was active when they first enrolled at the community college. When admitted, students are automatically placed under the current catalog at UTSA. (Example: Student takes classes at San Antonio College in Fall 2007. Student transfers to UTSA and begins classes here in Fall 2009. Student has the option to be under either the UTSA 2006-2008 or 2008-2010 catalog). **Transfer students should meet with their COEHD Academic Advisor to determine whether to remain in the most recent catalog or request a change.**

   o Petitions for course substitution
      ✓ A petition for substitution is officially asking the COEHD to use one course in place of another.

      ✓ In the instance when a transferable course is not an exact equivalent to a UTSA course, but the content of the course is similar to the UTSA requirement, students may petition for a substitution.

      ✓ COEHD Academic Advisors assist students with the petitioning process. However, it is always the **student’s responsibility** to initiate the petitioning process and to produce supporting documentation (such as the course description and/or syllabus) that shows why a substitution might be justified.

      ✓ Petitions for substitution are a request, not a guarantee. If petitions for substitution are necessary, students should allow ample time for this
process prior to any registration that might be affected. This process may take up to four weeks.

- Be aware that certain courses, especially courses in the certification program, have to be taken at UTSA

- Pre-requisites and course sequencing
  - A pre-requisite is a requirement that must be completed before the desired course can be taken.
  - Pre-requisites at UTSA and in the COEHD are strictly enforced and may be different than pre-requisites required at other institutions. Pre-requisites may also vary by catalog. Students should consult the UTSA Undergraduate Catalog for pre-requisite requirements [http://www.utsa.edu/ucat/Chapter4/index.cfm](http://www.utsa.edu/ucat/Chapter4/index.cfm).
  - Transfer students should meet with their COEHD Academic Advisor to make sure that pre-requisite courses have been fulfilled and that their student records are updated to allow appropriate registration online.
  - Some courses in the COEHD are only offered once per year (i.e., only each Fall). Students should pay particular attention to these courses and plan accordingly. The COEHD Advising Center is familiar with course rotations and can assist transfer students with this planning process.
  - **Students who do not adequately plan for the prescribed COEHD course sequence may encounter difficulty registering and may be delayed in graduation.**

- GPA
  - The COEHD re-calculates major, core, and overall GPA according to program guidelines. The COEHD Advising Center can assist students with program requirements and GPA calculation.

APPENDIX C.
DEGREES OFFERED IN THE COEHD

Undergraduate Degrees

Five undergraduate degrees are offered within the College: the Bachelor of Arts in Interdisciplinary Studies, the Bachelor of Arts in Mexican American Studies, the Bachelor of Applied Arts and Sciences in Infancy and Childhood Studies, the Bachelor of Science in Health, and the Bachelor of Science in Kinesiology.

Minors are also offered in African American Studies, Bicultural Studies, English as a Second Language, and Health. Within each degree there are multiple tracks. For detailed information regarding each of these, consult the COEHD section of the UTSA undergraduate catalog.

BACHELOR OF ARTS IN INTERDISCIPLINARY STUDIES

Degree Only. The Bachelor of Arts (B.A.) in Interdisciplinary Studies (IDS) degree-only concentration may be used as preparation for careers in government service or work with youth in a non-teaching capacity, or as an opportunity to prepare for graduate or professional study in areas such as business, counseling, or social work.

Teacher Certification Tracks.

Early Childhood–Grade 6 (EC–6) Generalist Certification
Early Childhood–Grade 4 (EC–4) Generalist Certification (This program is being phased out.)
Grades 4–8 Language Arts/Reading/Social Studies Certification
Grades 4–8 Mathematics/Science Certification
Special Education EC–12
Early Childhood–Grade 4 Bilingual Generalist Certification Concentration
Grades 4–8 Bilingual Generalist Certification Concentration
Grades 4–8 ESL Certification Concentration

Those seeking teacher certification in grades 8-12 or in the content areas of Music or Art will major in the content area (either in the College of Liberal & Fine Arts or in the College of Science) and take additional coursework in the COEHD to fulfill teacher certification requirements. (For more information, regarding teacher certification, contact an advisor.)

BACHELOR OF ARTS IN MEXICAN AMERICAN STUDIES

Majors are required to complete a prescribed program of study that must include a concentration from one of eight areas: Anthropology; Communities, Families, and Children; History; Literary and Cultural Studies; Nonprofit Management; Political Science; Sociology; or Spanish.

BACHELOR OF APPLIED ARTS AND SCIENCES IN INFANCY AND CHILDHOOD STUDIES

The B.A.A.S. degree is for students who have graduated from a regionally accredited, two-year college with an Associate of Applied Sciences degree in one of various technical areas. Students who meet UTSA admission requirements are accepted conditionally for the B.A.A.S. program. Once confirmation of the earned A.A.S. has been received (through an official transcript) and upon consultation with the B.A.A.S. academic advisor, students are accepted into the program. The B.A.A.S in Infancy and Childhood Studies does not lead directly to teacher certification. However, after graduating with a B.A.A.S. degree students would be eligible for post-
baccalaureate certification programs.

**BACHELOR OF SCIENCE IN HEALTH**
This program provides students with the opportunity to pursue a Bachelor of Science degree in Health for students interested in careers in community health and school health (teacher certification in early childhood-grade 12).

**BACHELOR OF SCIENCE IN KINESIOLOGY**
Students are prepared for careers in exercise science or teaching physical education (pre-kindergarten–12).

**Current Masters and Doctoral Programs.**
**Master of Arts in Bicultural-Bilingual Studies**
- Bicultural-Bilingual Education Concentration
- Bicultural Studies Concentration

**Master of Arts in Teaching English as a Second Language**

**Master of Education in Educational Leadership and Policy Studies**
- Higher Education Administration Concentration
- Educational Leadership Concentration

**Master of Arts in Counseling**

**Master of Arts in Education**
- Reading and Literacy Concentration
- Early Childhood and Elementary Education Concentration
- Instructional Technology Concentration
- Special Education Concentration
- Curriculum and Instruction Concentration
  - Accelerated Teacher Education Program (ATEP)
  - MAECIT Program
- Kinesiology and Health Promotion Concentration

**Doctor of Philosophy in Culture, Literacy and Language**
**Doctor of Education in Educational Leadership**
**Doctor of Philosophy in Counselor Education and Supervision**
**Doctor of Philosophy in Interdisciplinary Studies**
APPENDIX D. COEHD ORGANIZATIONAL CHART
Appendix E: Repeat Policy Effective Fall 2009

Has the student repeated four different courses at UTSA?

YES

The grade earned for the repeated course during the current term will be included—grades in history remain the same

NO

Has he attempted the course more than one time in history?

YES

The grade earned for the repeated course during the current term will be included—grades in history remain the same

NO

Is the grade earned in the current term for the course higher than the original grade in history for the course?

YES

Exclude the grade in history and include the grade earned in the current term

NO

Exclude the grade earned from the current term
APPENDIX F.
COEHD STUDENT CLUBS AND ORGANIZATIONS

THE AIKIDO CLUB

BILINGUAL EDUCATION STUDENT ORGANIZATION (BESO)

THE COUNCIL FOR EXCEPTIONAL CHILDREN

INTERNATIONAL READING ASSOCIATION (IRA)

KAPPA DELTA PI HONOR SOCIETY IN EDUCATION

MEXICAN AMERICAN STUDIES STUDENT ORGANIZATION (MASSO)

NATIONAL SCIENCE TEACHER ASSOCIATION

### b. Teaching Certificates available to Kinesiology and Health Majors (KIN or HTH)

| EC-12 HTH | All-Level Health Certification |
| EC-12 PE  | All-Level Physical Education Certification |

### c. Teaching Certificates available to Majors from other UTSA Colleges

| EC-12 ART   | All-Level Art Certification |
| EC-12 FRN   | All-Level French |
| EC-12 GER   | All-Level German |
| EC-12 MUS   | All-Level Music Certification |
| EC-12 SPAN  | All-Level Spanish |
| 8-12        | Science |
| 8-12        | Earth Science |
| 8-12        | Life Science |
| 8-12        | Math |
| 8-12        | History |
| 8-12        | Social Studies |
| 8-12        | Speech |
| 8-12        | English, Language Arts and Reading |

### Tests/Assessments for Students Seeking Teacher Certification

| PPR Exam            | Pedagogy and Professional Responsibilities Exam |
| TExES               | Texas Examinations of Educator Standards |
| THEA                | Texas Higher Education Assessment |
| TOPT                | Texas Oral Proficiency Test |

### COEHD Student Clubs and Organizations

| BESO                | Bilingual Education Student Organization |
| HA                  | Health Ambassadors |
| IRA                 | International Reading Association |
| MASSO               | Mexican American Studies Student Organization |
| KDP                 | Kappa Delta Pi Honor Society in Education |

### COEHD Grant Programs

| ATE                 | Academy for Teacher Excellence |
| ATEP                | Accelerated Teacher Education Program |
| TAILC               | Teacher Academy Induction Learning Community |
APPENDIX I.
LIST OF UTSA COLLEGES & DEPARTMENTS

The College of Architecture consists of the following academic department:
    Architecture

The College of Business consists of the following academic departments:
    Accounting
    Economics
    Finance
    Management Science and Statistics
    Marketing
    Management
    Information Systems & Technology Management

The College of Education & Human Development consists of the following academic departments:
    Bicultural-Bilingual Studies
    Counseling
    Educational Leadership and Policy Studies
    Educational Psychology
    Health and Kinesiology
    Interdisciplinary Learning & Teaching

The College of Engineering consists of the following academic departments:
    Civil and Environmental Engineering
    Electrical and Computer Engineering
    Mechanical Engineering
    Biomedical Engineering

The College of Liberal and Fine Arts consists of the following academic departments:
    Anthropology
    Communication
    English History
    Music
    Political Science and Geography
    Psychology
    Sociology
    Art and Art History
    Modern Languages and Literatures
    Philosophy and Classics

The College of Public Policy consists of the following academic departments:
    Criminal Justice
    Demography and Organizational Studies
    Public Administration
Social Work

The College of Sciences consists of the following academic departments:
  Biology
  Chemistry
  Computer Science
  Geological Studies
  Mathematics
  Physics and Astronomy
GLOSSARY OF COEHD, UNIVERSITY, AND STATEWIDE ACRONYMS AND TERMS

A

ACADEMIC ADVISOR – a professional staff advisor who assists students with academic planning and supports students in ways that promote academic success. All freshmen who have declared college majors are advised by staff at the Colleges’ Freshman Advising Center. Other undergraduate students, who are sophomores through seniors, are advised by professional staff in the college academic advising centers of the students’ majors. (Faculty can serve as mentors and advisors in various colleges.)

ASAP – the Automated Student Access Program is on the UTSA BANNER web site. Students can create a personal identification number and access their grades, registration, financial obligation, account balance, and many other very useful data.

ATE -- Academy for Teacher Excellence. A grant program in the COEHD.

ATEP – Accelerated Teacher Education Program. A grant program in the COEHD.

B

BB – Business Building (1604 Campus)

BBL – Department of Bicultural-Bilingual Studies

Beso – Bilingual Education Student Organization

BLACKBOARD -- is a course management system (CMS) that enables students to access web-based learning activities and course materials. Some of the Blackboard course activities include a bulletin board, chat room, whiteboard, email, student presentation area, grades, quizzes, interactive calendar, and links to web pages containing course readings and other material.

BSB – Biosciences Building-1604 Campus

BSE – Biosciences Building-1604 Campus

BV or BVB – Buena Vista Building - Downtown Campus
CATALOG OF GRADUATION - The catalog that is in effect at the time the student actually first enrolls at UTSA or other public institution in Texas. It lists all of the courses required for the student’s degree completion and any prerequisites. This plan of study is in effect for seven years and does not change. The university publishes a catalog every two years, alternating years for undergraduate and graduate catalogs.

CC – Convocation Center-1604 Campus

CFAC – Colleges’ Freshman Advising Center. 1604 campus.

CENSUS DAY – Census Day is the 12th class day of each long semester. The number of student/class enrollments on Census Day is the basis for the official student statistics that the university reports to the Texas Higher Education Coordinating Board. Up until Census Day students are allowed to drop individual courses and receive a tuition refund.

CEPAHE – Department of Counseling, Educational Psychology, Adult and Higher Education

COA- Cost of Attending. This is determined by the UTSA Financial Aid and Enrollment Services office and is based on the average cost of attending UTSA.

COA – College of Architecture

COB – College of Business

COE – College of Engineering

COEHD – College of Education and Human Development

COLFA – College of Liberal & Fine Arts

COPP – College of Public Policy

COS – College of Sciences

COURSE NUMBERS – a numbering system that indicates the academic level, academic subgroup or sequence, and credit hours of the specific course.

For example, all UTSA numbers are four digits. Look at ENG 1013 as an example:

ENG 1013

1 - The first digit is the academic level: 1-freshman (2-sophomore, 3-junior, 4-Senior, 5,6,7-graduate)
01 – the sequence assigned to this course by the English faculty
3 – the credit hours that the course meets per week (determines a value of the course in the grade calculation)

All courses beginning with a 1 and 2 are considered “lower division” and those beginning with 3 and 4 are "upper division." This is important for registration and for university requirements for graduation.

**COURSE/CLASS SCHEDULE BOOK** – this book lists all of the courses and sections of courses offered for registration in a specific semester or summer term. It lists the time the class meets, the building and room number, and the name of the instructor. This book gives registration instructions, and entries can be changed by the university. This is not the catalog.

**D**

DB – Durango Building (Downtown Campus)

**DISCIPLINE** – the academic course label determined by the college or department and faculty. For example, ENG 1013 is ENGLISH from the English department. A listing of these labels is always in the course schedule book for each registration period.

**E**

EB – Engineering Building-1604 Campus

**EFC** - Expected Family Contribution. The amount of money the federal government has determined that you or your family should be able to pay toward your cost of attending college for one academic year. Your EFC is based on your FAFSA.

EDP – Educational Psychology

ELL – English language learner

ELPS – Department of Educational Leadership and Policy Studies

ESL – English as a Second Language

**F**

FAFSA - Free Application for Federal Student Aid
FS – Frio Street Building-Downtown Campus

FTT – Fitness to Teach Policy

FULL-TIME UNDERGRADUATE STUDENT - enrolled in at least 12 semester credit hours for a semester (Fall, Spring), or a Summer term. A full-time Graduate Student must take 9 semester hours

G

GRADE POINTS – points earned for each letter grade earned. Used to determine grade point average. UTSA is on a 4.0 grade point system.
A = 4 points
B = 3 points
C = 2 points
D = 1 point
F = 0 point

GRADE POINT AVERAGE – a calculation of grade points earned for the credit hours attempted in a semester or term. For example, a student enrolls in 12 semester credit hours, each course is 3 credit hours, and earns an A, B, C & F.
A = 4 points x 3 semester credit hours = 12 grade points
B = 3 points x 3 semester credit hours = 9 grade points
C = 2 points x 3 semester credit hours = 6 grade points
F = 0 points x 3 semester credit hours = 0 grade points
Add up the credit hours attempted = 12
Add up the grade points earned = 27
Divide the grade points by the credit hours for GPA = 2.25
The student records system keeps a calculation for each semester or term of UTSA coursework and also gives an overall UTSA GPA for all semesters or terms of UTSA coursework.

GRADUATE STUDENTS – students who have attained an acceptable undergraduate or baccalaureate degree and have been accepted into an advanced level program. These students are referred to as master’s level or doctoral level.

H

HA – Health Ambassadors. A student organization in the COEHD.
HAK – Department of Health and Kinesiology

HPO – Health Professions Office. Advising for undergraduate students who want to enter a Health Professions School.

HSS – Humanities & Social Sciences Building. 1604 campus.

HTH – Health

IDS – Interdisciplinary Studies major

ILT – Department of Interdisciplinary Learning and Teaching

IRA – International Reading Association

ISD – Independent School District

ITC – Institute of Texan Cultures-ITC Campus

JPL – John Peace Library Building-1604 Campus

M&O – Maintenance and operations budget

MAS – Mexican American Studies Major

MASSO – Mexican American Studies Student Organization
MB – Main Building. 1604 Campus. The College of Education & Human Development, the President and the Provost are housed in the MB.

MS – Multidisciplinary Studies Building. 1604 campus.

N

NSTA – National Science Teacher Association

O

P

PE – Physical Education Building-1604 Campus

PPR Exam – Pedagogy and Professional Responsibilities Exam. One of the required TExES exams that assesses the student's knowledge of teaching methodology and professional responsibilities.

PREREQUISITE – A requirement that must be completed before a desired course can be taken. That is, without the knowledge from the prerequisite, it is likely that the student will have difficulty with the desired course.

Q

R

RWC – Recreation and Wellness Center-1604 Campus

S

SAR- Student Aid Report. The report that you receive from the federal government after they have processed your FAFSA.

SB – Science Building-1604 Campus
SBEC – State Board for Educator Certification. SBEC is a part of the Texas Education Agency (TEA).

SEMESTER or TERM – the way in which an academic year is divided for course enrollment and credit. At UTSA the year is divided into Fall semester, Spring semester, and Summer term. We use the words term and semester interchangeably.

SEMESTER CREDIT HOUR – the number of hours a course is worth determined by the hours it meets in a semester. For example, a one-semester credit hour course meets one hour per week in a semester; two-semester credit hour course meets two hours per week; three-semester credit hour course meets three hours per week; and so on. Summer courses are condensed, but the actual class time is the same as long semesters.

STUDENT CLASSIFICATION – a system of levels determined by student’s earned credit hours used primarily for priority student registration.

*Undergraduate students:*
- Freshmen: 0-29
- Sophomore: 30 – 59
- Junior: 60-89
- Senior: 90 and over

TAILC – Teacher Academy Induction Learning Community. Part of the ATE Grant Program-Provides free services for future teachers

TEA – Texas Education Agency

TERM or SEMESTER – the way in which an academic year is divided for course enrollment and credit. At UTSA the year is divided into Fall semester, Spring semester, and Summer term. We use the words term and semester interchangeably.

TEXES – Texas Examinations of Educator Standards. Required for teacher, principal, school counselor, or superintendent certifications in Texas.

THEA – Texas Higher Education Assessment. Test required to progress to upper level (3000 and 4000 level coursework) and to enter the COEHD Teacher Certification Program.

THECB – Texas Higher Education Coordinating Board. The THECB has oversight and approval responsibility for all Texas higher education policies and programs.
**TOPT** – Texas Oral Proficiency Test. A required TExES certification exam that determines the student's proficiency in a particular language (i.e., the Spanish proficiency of prospective Spanish teachers).

**TRC** – Tomas Rivera Center. Advising office for undeclared freshman. Provides academic support services.

**U**

**UC** – University Center. 1604 campus.

**UTSA INFORMATION BULLETIN** – this bulletin is published annually and gives all of the policies and procedures concerning the University calendar, history, tuition, fees, charges, deposits, admission, and general academic regulations. This bulletin takes the place of any former bulletins and governs these rules for the year that the bulletin is in effect. It can be accessed on-line by clicking on “myUTSA,” then on ASAP.
