*Miss Representation*

**Please join us!**

**Tuesday, October 23, 2012 | 6:00 p.m. – 8:45 p.m.**

Retama Auditorium, UTSA Main Campus

*Miss Representation* – a documentary film written and directed by Jennifer Siebel Newsom –provocatively challenges the media’s limited and often disparaging portrayals of women and girls, which make it difficult for women to achieve positions of power and influence. The film also examines the impact of media on men and boys and how it can limit their perspectives – impacting men and women from the playground to the boardroom.

UTSA and the San Antonio Chamber of Commerce are committed to being a part of the change envisioned by *Miss Representation* and inspiring critical conversations on gender equality and the issues of leadership and sponsorship for women.

**Please join us for a screening of Miss Representation** followed by a brief audience discussion to share your thoughts and ideas. **Targeted to both women and men,** our goal is to build awareness and spark community dialogue between policy-makers, business leaders, and concerned citizens around the issues uncovered in *Miss Representation* and the actions we can take – both individually and collectively – to encourage positive cultural change.
