Open House with NASA

How can you integrate NASA educational resources and materials into your college courses?

Lisa Brown, NASA Aerospace Education Specialist, will be at UTSA for a Curricula Open House on March 25 from 11:30 am-1:30 pm to showcase NASA’s educational resources. Afterwards, join her for a hands-on inquiry activity from 2:00-3:00 pm. Open House and presentation will be in MB 1.304

It’s not just Science. The following academic disciplines are incorporated in NASA’s missions:

- Early Elementary & Elementary
- Social Studies/Geography
- Health and Kinesiology
- Language Arts
- Math
- Bilingual/ESL

Check out the website for more information about what NASA has to offer!
