A student who wants to specialize with a very narrow client population might struggle to create a full caseload here, however. Interested students should email internships@alamoheightscounseling.com and attach a resume and a copy of their student professional liability insurance policy face sheet. They may feel free to include any details about themselves and their clinical interests in the body of the email message.</p> <p>Hours of Operation: 8am-5pm Monday-Friday</p>
