## NOTES

- 1) Total number of hours for the Masters in Education degree in School Counseling is 60.
- 2) School counseling students who have full-time employment are strongly encouraged to take only 3 hours during the fall and spring semesters although a maximum of 9 hours of counseling courses may be taken. Students may take 9 hours during the summer months.
- 3) Every Master's degree candidate at UTSA is required to pass a Comprehensive Exam via a professional portfolio in order to be awarded the Master's degree.
- 4) With departmental approval, a maximum of nine hours of coursework already taken and passed with a B or better in an equivalent course at the graduate level at another university or in another education- or counseling-related degree program may be applied to the degree and must be transferred during the first semester of study at UTSA. No class counted toward another degree can be used to satisfy the requirements of the M.Ed. in School Counseling. Classes applied to another graduate degree may serve as substitutes for up to 9 hours of core classes with the student's advisor's approval (but students will need to take additional courses, with advisor approval, to achieve the 60 hours necessary for the M.Ed. degree). Students will need to provide copies of the course syllabus and transcript indicating course completion and grade.
- 5) Only two courses with a grade of "C" (2.0) will be accepted toward this degree.
- 6) Students must earn a "B" (3.0) or better in all clinical courses (COU 5393, COU 5683, COU 5793, 5803, & COU 5813). Students who receive a B- or lower must retake that course and earn a "B" or better before progressing in the clinical course sequence.
- 7) Students must achieve a GPA of 3.0 (on a 4.0) scale each semester or you will be put on academic probation (Graduate school requirement).
- 8) To graduate, all graduate students must have an overall grade point average of at least a 3.0 (on a 4.0 scale; Graduate school requirement).
- 9) Graduation candidates must apply for graduation early in the semester in which they plan to graduate through the ASAP student account. Deadlines are posted on the schedule of classes.
