CACREP Vital Statistics 2022-2023

M.S. Clinical Mental Health Counseling

Last year, 81 students graduated from the Clinical Mental Health Counseling (CMHC) program. The pass rate for the National Counselor Examination (NCE) was 80%. Based on available data, an estimated 92.6% of graduates seeking jobs were able to secure employment in a counseling-related position within 180 days of graduation. For the CMCH program, 92% of our students completed their program within 5 years.

M.Ed. School Counseling

In 2022-2023, 14 students graduated from the School Counseling (SC) program. Of these students, 99% of graduates seeking jobs were able to secure employment in a counseling-related position within 180 days of graduation. The average certification passing rate was also 95.5%. For the CMCH program, 75% of our students completed their program within 5 years.

Ph.D. Counselor Education and Supervision

Ten students earned their doctorates in Counselor Education and Supervision in 2022 - 2023, with 100% of graduates obtaining employment in a related field within 180 days of completing their programs. For the CMCH program, 77% of our students completed their program within 5 years. No certification or licensure exam is required for doctoral students beyond the entry-level requirements.
